Hope & Healing After Abortion

"Let the Church always be a place of mercy and hope, where everyone is welcomed, loved, and forgiven." – Pope Francis

Abortion continues to hurt people long after it happens. Depression, anxiety, nightmares, addictions, strained relationships, and trouble relating to babies or children – all of these can be caused or intensified by a past abortion. The Church desperately wants to help you heal. **Project Rachel Ministry** is a *confidential, compassionate, and non-judgmental* service that meets you where you are at, then helps you to discern what kind of help you most need. We then discreetly pair you with people who can help – whether through confession, spiritual counseling, professional therapy, small group discussions, or a weekend retreat, there are many avenues for healing.

Contact the *Project Rachel* network today: prm@hbgdiocese.org or 717-857-2282.
