Job Description
Pipeline Safety Inspector
Anticipated Starting Salary Range: \$52,500 – \$60,000
Starting Salary Commensurate with Qualifications and Experience

The State Corporation Commission's (SCC) Division of Utility and Railroad Safety (URS) seeks a safety-focused and public service-oriented individual to assist with regulatory compliance oversight of natural gas pipeline facilities in the Commonwealth. The selected individual will assist in conducting field inspections of pipeline facilities and construction sites to determine compliance with the SCC's pipeline safety regulations and the Underground Utility Damage Prevention Act. Work also includes assisting in the review of programs and records to determine compliance with safety regulations, maintaining paper and electronic records, and preparing reports detailing findings in accordance with the division's pipeline safety program standards. The selected individual will be required to attend and successfully complete several pipeline safety courses sponsored by the federal Pipeline and Hazardous Materials Safety

Administration (PHMSA). Significant travel, both day trips and overnight, is required. The selected candidate for this position will also be required to serve in the “on call” rotation of qualified pipeline safety inspectors within the division. The SCC is actively seeking United States military veterans who meet the qualifications outlined below.

Minimum Qualifications

Preferred Qualifications

Qualifications

Preferred qualifications for this position include some experience in gas or hazardous liquid pipeline safety, pipeline construction, and/or a degree in a related field. Military experience is a plus. The ability to comprehend and interpret complex policies, procedures, and manufacturer’s instructions on various material applications and operations of equipment used in the pipeline industry is critical. The ability to conduct inspections, investigations, and studies and to analyze data and report the results is essential. Candidates must have the ability to maintain effective, professional working relationships with SCC staff, industry personnel, and the general public. Knowledge in the use of a PC and related software, to include Microsoft Office applications and good verbal and written communication skills are essential. Ideal candidates will be detail-oriented with the ability to make sound decisions. Candidates must be willing and able to traverse rough terrain in order to conduct inspections.

SCC Overview

Located in downtown Richmond, Virginia, the SCC is a state agency with regulatory authority over many business and economic interests in Virginia. More information about the SCC may be found on our website: www.scc.virginia.gov.

The SCC offers rewarding, impactful work, flexible telework options, work-life balance, and professional development opportunities. The SCC fosters a high-performing workforce with a commitment to diversity and inclusion, collaboration, and alignment with the SCC’s mission and strategic goals. Core benefits provided to SCC employees include competitive health and life insurance programs, pre-tax spending accounts, leave programs, and paid holidays. Employees participate in a state retirement plan with options for tax-deferred retirement savings including employer matching. The state also funds a short and long-term disability program.

The SCC regulates various companies and industries in Virginia; therefore, to avoid any conflict, employees are required to sign a Conflict of Interest Form and must dispose of any stock they hold in a regulated company or dispose of any licenses or certificates they hold in any industry regulated by the SCC unless otherwise permitted. Employees also shall report employment of household members by a regulated company.

The SCC is an Equal Opportunity Employer. Military veterans and national service alumni are encouraged to apply. The SCC uses the E-Verify system to confirm identity and work authorization and does not provide sponsorship. If requested, the SCC will provide reasonable accommodation to applicants in need of accommodation in order to provide access to the application and interview process. A background investigation is conducted on the selected candidate as a condition of employment.

This position will be classified in the [SCC Salary Structure](#) as a Grade P-7 or P-9 and will be non-exempt or exempt from the provisions of the Fair Labor Standards Act (FLSA) depending on the selected candidate’s qualifications and experience.
