Ms. Kounnavong: Lead Teacher

What's Been Happening?

What an absolutely gorgeous beginning to our fall season! The toddlers enjoyed playing in the rain and gathering up leaves for our art projects. They

experienced the different colors and textures from the leaves we collected. They had a blast when their hands became gooey while we explored what was inside a pumpkin! We've been working very hard on learning the color orange, identifying a square, counting and learning friends' name during circle time. I hope all is well and everyone enjoyed their October!

Take care,
Ms. Kounnavong
