3. Tent volunteers will provide MiniKickers and U6 Team coaches a medal for each and every player to hand out. Please get this BEFORE you play your game.
4. Bring your equipment bag with your binder with you to the field and place in the Elko or Spring Creek Shed. We are collecting each piece of equipment and doing inventory.
5. Please make sure that you are on time and early and ready for games.
6. Brackets and updated info will be at the white tournament tents as games progress.
7. Reminder – spectators sit on opposite sides from the players and coach.

WEATHER

For lightning, we will do the 30-30 approach. Wait 30 minutes for lightning to go away. Hopefully we won't have that.

If there is a serious amount of hail or rain, and it seems unplayable for a few minutes, the center ref could suspend the game until the weather seems playable.

For suspending the game early, we will follow NFHS rules as a guide.

"In the event a game must be suspended because of conditions make it impossible to continue play, the head referee shall declare it an official game if one complete half or more of the game has been played. If less than one-half of the game has been played, the game may be rescheduled from the start, or restarted from the suspension of play." The NNYSA Board will make a decisions on rescheduling the game.

These will be the last games of the season so let's make them fun for the kids! Please remember that the refs do make mistakes but coaches and spectators should not be yelling or talking to the ref. We hope you enjoyed your season. Sign Ups are happening now until August 1st for the Fall 2019 – Spring 2020 season – space is limited so sign up quickly!
