Dear Prospective Sponsor,

Our Lady Star of the Sea School (OLSSS) delivers a quality Catholic Education to students ranging from Pre-Kindergarten to 8th grade. The school has been in operation since 1933 and is proud to say it is the longest operating, private school in Calvert County that excels at a faith-based education. We are a unique, family-oriented school where staff, students and families form a supportive and caring community. One of our goals is to join with local area businesses and individuals with a common interest: the growth of community participation among the families who reside in it.

On November 23, 2021, our students will participate in the 12th Annual OLSSS Turkey Trot at school. This year our theme for the fundraiser is "Thankful for our Specials". The funds raised will support our school specials to include PE, computers, art, Spanish, music and the library as well as promoting student fitness. The students will collect pledges from friends and family members before running/walking with their classmates.

We are reaching out to the community to help sponsor our kids as they participate in the OLSSS Turkey Trot. As a private not for profit 501(c)(3) entity we rely on community support, such as yours, to ensure success. Your sponsorship will not only encourage the children to remain dedicated to their school, but also their physical fitness as they challenge themselves to run/walk for their entire 15-minute duration.

With supporters, like yourselves, we can continue to establish a strong foundation on which these children, our future, can build their lives. Our school goal is to raise \$10,000. We hope you and your business can help us achieve this goal. Please review the attached pages for further information regarding Turkey Trot Sponsorship opportunities.

Grace and Peace,
Mrs. Jennifer Thompson
