The President's Volunteer Service Award: Keep copy of your school's or VIA's volunteer log sheets. VIA needs the copy to verify your total volunteer hours with VIA when you apply for President's Volunteer Service Awards. Log your hours by creating a profile on the President's Volunteer Service Award website using the Record of Service Key: **GBN-1023**, to identify Voting Involvement Association Nonprofit as your institution. Once your forms and logs are completed, VIA will certify your hours and order your award.
