

## **Mountain Roots Day Camp Roots Crew - Summer 2019**

### **Overview of Roots Crew**

Roots Crew is a summer leadership development opportunity for rising 7th-9th graders in Brevard, NC. Our Roots Crew members are volunteers at Mountain Roots Day Camp and serve as counselors-in-training as they assist with various camp activities.

Roots Crew members help day campers ages 4-9 with games, theme activities, preparing snack, spending time with kids that need a little extra attention, etc. Our Roots Crew members will gain experience in helping younger campers while simultaneously developing leadership and enjoying the various camp activities throughout the week(s). Roots Crew members may apply for 1-7 weeks, based on your summer schedule.
