

Kentucky Bluegrass

Aviator

Benefits:

- ✓ Good density during the growing season
- ✓ A dark green color
- ✓ Medium Leaf Texture
- ✓ Good overall disease resistance

Seeding Rates:

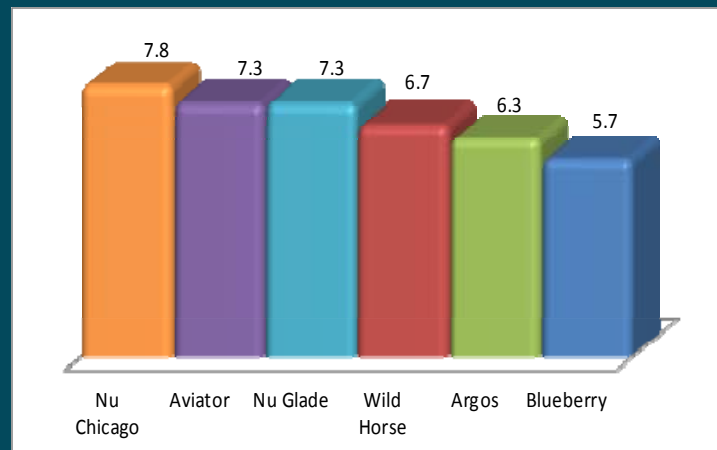

3-4 LBS/1,000 square feet for new establishment

1-2 LBS/1,000 square feet for overseeding

AVIATOR Kentucky Bluegrass incorporates the most recent advancements in turfgrass breeding technology and brings it to the market place.

AVIATOR has exhibited above average resistance to red thread and snow molds. It also provides a dark green color, medium leaf texture and excellent density year around during the growing season. This grass is ideally suited for home lawns, commercial properties, parks, sod production, golf course roughs and sports fields.

AVIATOR...setting a new standard for quality and performance in Kentucky Bluegrass.
