

# Mayville Summer Sting

[www.mayvillesting.com](http://www.mayvillesting.com)

The Mayville Summer Sting organization is dedicated to building a tradition of girl's fastpitch softball by fielding competitive teams that enjoy success locally and regionally. Even more importantly, our organization has a positive influence on the lives of these girls, their families and their communities. The main functions of the organization are to provide players a select program to promote fastpitch softball and to elevate their level of play while encouraging leadership, sportsmanship and teamwork in the finest traditions of the game. Each of our teams will be competing in several tournaments. These tournaments include state and national level qualifiers and our own hosted tournament held on July 24 – 26, 2020 in Lomira. We help to develop the skills of these girls, which they in turn bring to their high school programs across Wisconsin including Mayville, Lomira, Campbellsport, Theresa, Iron Ridge, Fond du Lac and Neosho.

The Mayville Summer Sting girl's fastpitch softball organization 2020 fundraising campaign is currently underway. We are undertaking a wide array of fund raising opportunities to help defray expenses for equipment, training, summer tournaments, travel and field rentals. We are a local sports organization with volunteer coaches that is funded mainly through our parents via team fees and fundraisers as well as the generous financial support from business sponsorships. We are incorporated as a 501(c)(3) non-profit organization.

We kindly ask that you consider supporting our teams with one of the support levels shown on the next page. Without the support of businesses, family, and friends we would not be able to be successful. Please feel free to contact us should you have any questions. Thank you for your consideration.

Best Regards,

The Mayville Summer Sting Organization
