## ABOUT HAPPY TAILS

Happy Tails operates Whiteside County's only animal shelter. We are a limited-intake, no-kill facility that shelters and cares for stray and abandoned dogs and cats until they are adopted into loving, permanent homes.

We promote pet adoption and humane education.

Happy Tails is a 501(c)3 nonprofit organization funded by private donations.

## PET RESCUE AND ADOPTION

When you donate to Happy Tails, your money goes to work helping us rescue sick, injured, abandoned and unwanted cats and dogs and finding them new loving homes. We also reunite lost pets with their owners.

Happy Tails works with animal control organizations to rescue animals who might otherwise be euthanized.

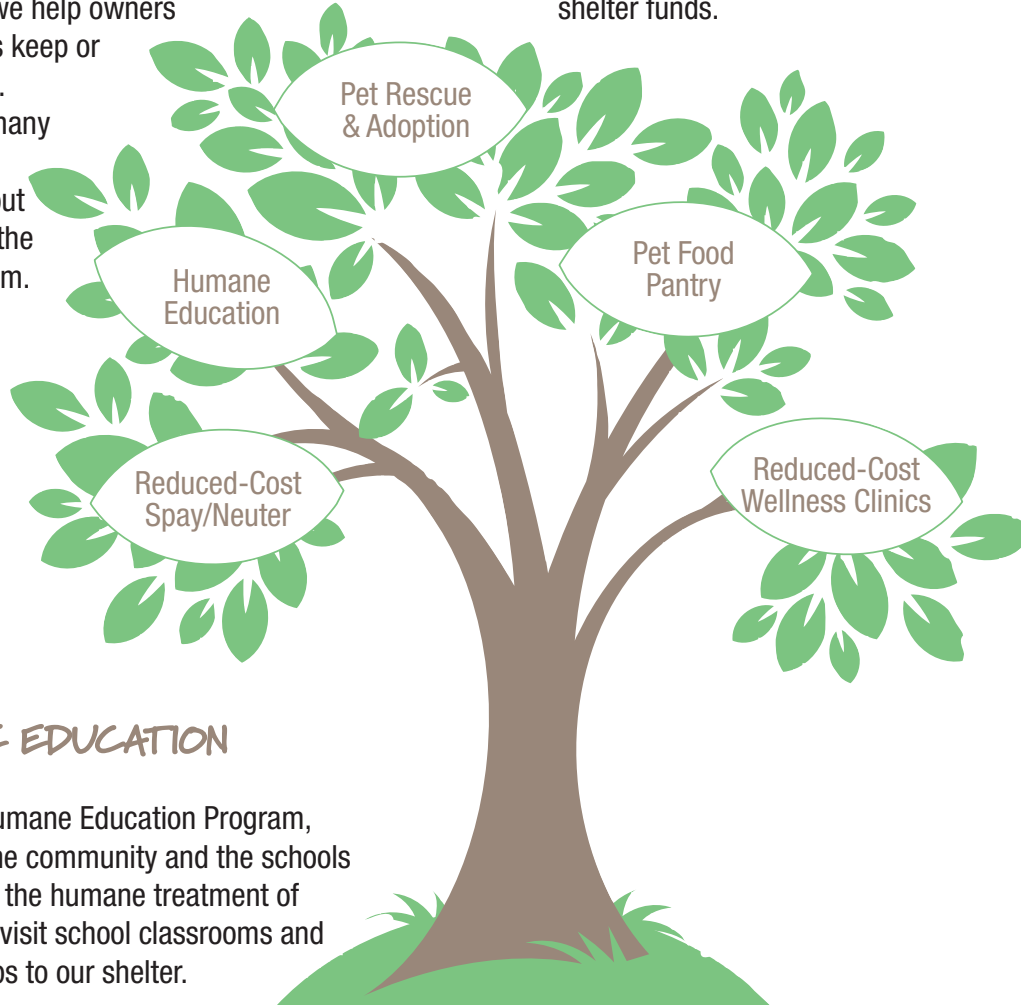

In addition to rehoming through our shelter, we help owners and rescuers keep or rehome pets. In this way many animals are helped without coming into the shelter system.

## COMMUNITY OUTREACH

Our *Pets for Life* Program helps pet owners keep their pets and care for them through:

- A pet food pantry,
- A reduced-cost spay and neuter program ,
- Reduced-cost wellness clinics, and
- A free microchip registry.

Our reduced-cost spay and neuter program and wellness clinics are conducted without the use of shelter funds.

## HUMANE EDUCATION

Under our Humane Education Program, we go into the community and the schools to talk about the humane treatment of animals. We visit school classrooms and host field trips to our shelter.
