September—December 2019

What's Happening at GCPL

Fall is just around the corner and we are busy filling up the library calendar with lots of fun and informational programs in addition to our regular tried and true monthly programs. Make sure to keep the enclosed calendars for the months September thru December so you will know what is happening at the library!

In September, October, and November DeeAnn Dean, Health Consultant, will be here on alternating Mondays starting September 9th for Wellness Classes starting at 5:30PM. DeeAnn has 20 years of experience in health consulting. She is President of Vive Academy and creator of Vive Alchemy and an author and speaker.

Miss Susan, Children's Librarian, is busy planning Story Times that are fun, educational, and crafty for the fall season. A sneak peek includes what's cookin', scarecrows, pirates, and apples for September and spiders, monsters, and pumpkins for October. Story times start at 10:15 on Friday mornings. Also, don't forget about LEGO club on the 3rd Friday of each month for school age kids.

Miss Elizabeth, Teen Librarian, has planned some special events for the teenage crowd. These include So Long to Supernatural for the Fandomonium Club on September 13th and a Tolkien Birthday Bash on September 27th. The week of Fall Break has Drop-In Crafting on Monday and Tuesday the 7th and 8th, and a movie afternoon on Friday the 11th. Plus the regular times for Dungeons and Dragons every month.

Laken, Program Coordinator, has added a couple of new programs. The first one is crafting and it is scheduled for September 19th from 11:00 to 12:00. Stop by and see what fun craft Laken has planned and enjoy an hour of relaxation! The other one is a movie screening planned for September 30th. The movie and time will be announced at a later time. Come and enjoy a movie complete with popcorn!

Our next book sale will be in October starting on the 14th.

In November, we are doing Food for Fines again. During Food for Fines, you can bring in unexpired canned food or non-perishable food items, and be relieved of fines you owe on previously checked out items. One can or box of an unexpired food item equals $5.00 worth of fines up to $100 maximum. We will donate food collected to our local food banks to help with the holidays.

Our next library tea is scheduled for November 22nd at 2:00PM. Mark Twain's birthday is in November and our tea is titled A Tea for Twain. Ms. Connie Boring will be our guest speaker. Connie is a retired 8th grade English teacher and expert on anything Twain. You won't want to miss this tea! We will start taking reservations on October 11th.

We will be making Family Keepsake Christmas Plates again this year on December 7th. Sign- ups will start on November 1st. All of our regular programs are happening each month. We will also start taking entries in December for our fourth annual Arts & Crafts Exhibition.

Our Lynnville branch of the library is closed right now due to the roof leak. As you know, moisture and humidity can cause damage to books. Therefore, all the library materials have been removed to protect them until the roof is repaired. The City of Lynnville is working to get the repairs done and we hope to have the library back open as soon as possible. Make sure to watch for reopening news on our website, social media and local news outlets. During this time, we are glad for our Lynnville patrons to use the Pulaski branch of the library.

Have a great fall season!

Cindy Nesbitt, Director

"The beautiful thing about learning is that no one can take it from you." ~ B.B. King

AWE: After-School Edge Learning Tablet

I want to introduce our new AWE After School Edge learning tablet. This tablet was made possible by donations made in memory of Brownie Brown. Brownie used to work at the library and she loved children. We thought it fitting to use the money donated in her memory to purchase this wonderful educational tablet designed for school kids aged six to twelve. It will be available to check out and use in the library. The tablet is full of educational titles perfect for education enrichment, homework help and skill reinforcement. The tablet contains interactive stories; math and problem solving; science and nature; social studies and geography; reading, words and phonics; writing and computer skills; reference; and music and art. The reference tab includes the Encyclopedia Britannica Elementary Library with introductory-level content for students aged 6-10 and the Britannica Student Library with intermediate-level content for students aged 10-14. We have two AWE Early Literacy Stations that are popular with younger kids. They too have numerous educational games for younger ages.

2019 Summer Reading Recap: A Universe of Stories!

The Giles County Public Library staff would like to give a big thank you to all of the sponsors and volunteers who helped create the 2019 Summer Reading Program! Over 190 Giles County students registered in the Summer Reading program, which ran from June 3rd – June 29th. Our readers logged 85,652 minutes during the summer. What a great accomplishment!

The theme this year was A Universe of Stories, which promoted reading with added space fun. 29 programs were held in house, at First National Bank's Heritage Theatre, the Boys and Girls Club, Pulaski Terrace Tanglewood Apartments and the Rec Center Kidz Camp location. Special thanks to Devin Yurko and staff at the Boys and Girls Club, Darlene Slinger and crew at the Pulaski Recreation Center (Kidz Kamp) for working with us on community programs. A stellar thank you to Katie Journey with Brindley & Associates for facilitating a program at Pulaski Terrace Tanglewood Apartments with help from Mamie Burrell.

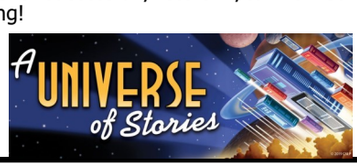

Highlights from the Summer Reading Program include the Guardians of the Galaxy karaoke night (complete with a baby Groot craft), an out of this world Teen Star Party, a scientific stargazing program, stomp rockets launching paper rockets high in the sky, and solar pizza box oven s'mores.

The Summer Reading Program would not be possible without the help and support from our community. We would like to give special thanks to the Go Tech Coding Camp teachers, David Crane and Ryan Goats with the Tennessee Wildlife Resources Agency, and Stephen Hughey for putting on out of the world programs! We would also like to say a special thank you to all of the volunteers for the Summer Reading Program: Calvin Harris, Matthew Grissom, MaKenna Beck, Brandon Moore, Arilynn Steel, Delia Marchant, Garth Marchant, Aidan Jones, Victoria Cooper, Jared Bell, Charles Davenport, Terry Smith, Stephen Hughey, Randy & Melissa Roller, and Mamie Burrell.

During the Summer Reading Program, the Giles County Public Library offered prizes as incentive to our readers. We would like to thank the following local businesses and individuals who gave donations to the Summer Reading Program: First National Bank, U.S. Space & Rocket Center, Daylight Donuts, Sonic Drive-In, McDonalds of Pulaski, the Coca-Cola Company, the Pulaski Recreation Center, Sundrop, Gimmie a $5, Frito Lay, The Martin, Chapman's Flowers, Brindley & Associates, Colonel Littleton's in Lynnville, Johnny Fleeman, Naomi Townsend, Victoria Cooper, Terry Smith, Melissa Roller and Charles Davenport.

The Giles County Public Library would like to extend our greatest thanks to First National Bank for being our community partner for the Summer Reading Program. First National Bank always allows the library to make use of their services and the Giles Heritage Theatre to host our programs. The bank hosted three great programs this year. Thank you for all you do for the library!

It was a successfully stellar year for Summer Reading!
