

Utah Early Childhood Conference

March 3, 2018

Featured Presenter

Sue Dierks

has over 25 years of experience in the field of early childhood education that includes classroom teaching, teacher coaching and training and program administration. **Sue's thesis work explored resiliency in Head Start preschoolers and that interest in resiliency continues today.**

Session 2 Presentation 1:15 PM

201: Using Conscious Discipline with Families

A healthy home plus a healthy school create a successful child! This session will provide practical steps for implementing Conscious Discipline with families. Lessons, home visits and parent meetings that focus on building parenting skills will be shared in this interactive session.

Session 3 Presentation 2:45 PM

301: Where Do I Begin with Conscious Discipline?

This session will share lessons learned from another school's failures and successes with implementing Conscious Discipline. Participants will learn skills and strategies to create an implementation plan that supports even the most challenging children and reduces behavior referrals.
