

Dear Neighbor,

The Columbus Home and School Association is a parent teacher organization supporting both John Hydock Elementary and Mansfield Township Elementary School, both in Columbus, New Jersey. Run completely by volunteers, our organization functions as a liaison between the schools and the parents, and 100% of the money we earn is used to benefit our schools and students, providing funding for books, computers, facility upgrades, assemblies, and so much more.

We conduct several fundraisers throughout the school year and depend on support from our local businesses in order for those events to be successful. For the upcoming 2019/2020 school year, we are looking to partner with you!

We have several opportunities to get your business's name in front of the families we serve. In an attempt not to inconvenience our kind and generous donors several times a year, we have listed the opportunities for the upcoming school year below. We would be thrilled to have your support with any of these options.

This year we have the following fundraising events that we are looking for assistance with:

- Membership Directory Advertising - we sell ad space in our directory which is distributed electronically to hundreds of Mansfield families in September and referenced throughout the school year. Your ad will reach approximately 300 families. Here, you can advertise your business to our school families.
- Bingo Blingo - our biggest fundraiser of the year! This year the event is on Friday, March 13th and we are looking for gift certificates, baskets or other donations to either raffle or serve at the event. We also distribute local businesses coupons at the door. We have had nearly 200 local guests at this event each year and this year we are moving to a larger space in order to accommodate more!
- Community events and/or Dine-to-Donate events - we would advertise your business to our school community to attend on a pre-selected date. You would donate a portion of profit back to CHAS. Our first Dine-to-Donate will be in the Country Walk shopping Center in September and we would like to add several more throughout the school year.
- Mom's Night Out - in May we host a night for our community mom's at Iron Plow Winery where we have our highly anticipated Summer Camp Silent Auction. This is a fantastic opportunity to get your camp in front of approximately 60 local moms in exchange for allowing us to raffle a free week of camp.

We are hopeful that we can establish a great relationship with your business and would be happy to discuss these advertising possibilities. All donations go to supporting our organization and the children of Mansfield Township. Any donation would be greatly appreciated. Our tax identification number is 22-2398162.

Thank you for your consideration, and feel free to contact us if you have any questions.

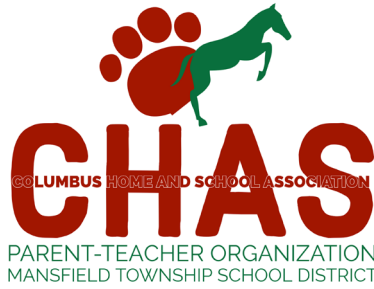

Sincerely,

Kristin Mederos
