

RELIGIOUS STUDIES 35 SERVICE PROJECT

By volunteering ten hours this semester to serve the 'neediest of the needy' in our community, you will benefit the citizens of Red Deer and deepen your own appreciation for 'love of neighbor'. We come to know God; to experience God when we act as Jesus would have acted.

"Whenever you did this for the least of my brothers and sisters, you did it for me" (Matthew 25:36)

Whether or not you see yourself as a Christian, your efforts will be valued and your rewards will be reflective of how much of yourself you are willing to share.

Check with your teacher to make sure the project you have chosen fits with the criteria of the service requirement. The project should be done outside your family and you should not profit from it financially. For example: Babysitting in most circumstances would not be accepted.

Your mark on this assignment will be based on completion of the hours and this reflection assignment.
