Residents

In light of the ongoing IRS scam, please keep these characteristics in mind:

- ◆ Scammers use fake names & IRS badge numbers
- ◆ Scammers may be able to recite the last 4 digits of a victims social security number
- ◆ Scammers spoof the IRS toll free number's on the caller ID to make it appear that the IRS is calling
- ◆ Scammers sometimes send bogus IRS emails to support their calls
- ◆ Victims hear background noises of other calls being conducted to mimic a call site
- ◆ After threatening victims with jail time or driver's license revocation, scammers hang up and others soon call back pretending to be from local police or DMV and caller ID supports their claim

The IRS and its authorized private collection agencies will never:

- Call to demand immediate payment using a specific payment method such as a prepaid debit card, gift card or wire transfer. Generally, the IRS will first mail a bill to any taxpayer who owes taxes.
- Threaten to immediately bring in local police or other law-enforcement groups to have the taxpayer deported or arrested for not paying.
- Demand that taxes be paid without giving the taxpayer the opportunity to question or appeal the amount owed.
- Ask for credit or debit card numbers over the phone.

The IRS reminds non-native English speakers this tax season that they can easily identify when a caller supposedly from the IRS is a fake.

If you have any concerns please contact Chief Chuck Bergeron at 815-496-2186

Resident Info

Planning on putting a pool up this summer? Keep in mind the Village Ordinance on Outdoor Swimming Pools:

Outdoor swimming pools with water capacity greater than 1,000 gallons must be entirely fenced with a fence no less than 4 feet in height. The fence shall be of a type not to allow passage of an object greater than 4" in diameter and not easily traversable or climbable by children. A side of a building may be used as part of the fenced enclosure so long as the resulting enclosure is entirely closed and protected from access by children. The wall of pool may be considered part of the fence so long as fence material extends above the water level or rim of the pool, no less than 1 foot.

The Village of Sheridan has completed its review of all properties within the Village. We have concentrated on violations included in Chapter 6– Board of Health under the section entitled Nuisance Per Se and Chapter 18-Removal of Abandoned Motor Vehicles of the Municipal Code. If you haven't visited our website www.sheridan-il.us to review those sections of the Municipal Code, please do so! If you do not have internet access please stop by the Village Hall and we will be happy to provide you with a copy of these sections. We appreciate your cooperation in keeping the Village of Sheridan a safe and attractive community!

Sincerely,

Chief Charles Bergeron
