Utility Blades

\*Maximum initial battery voltage (measured without a workload) is 20 and 60 volts. Nominal voltage is 18 and 54. All amp hours (Ah) shown with 60V MAX\* products are measured in 20V MAX\* mode. DeWALT's PERFORM & PROTECT™ line of Power Tools is designed to provide a high level of one or more of the following: control, dust containment, or low vibration, without sacrificing performance.

**Terms and Conditions:** This is not a game of chance. Void where prohibited. Offer only available at the participating Care Supply Co. retail locations. Offer valid on purchases made from 04/15/2019 through 05/31/2019, while supplies last. All federal, state and local laws and regulations apply. Redemption items will be provided at the participating retail location at the time of purchase. Original invoices evidencing qualifying purchases must be provided. Offer valid only for product end users. No cash value. Amounts on flyer do not include taxes. Offer not valid with any other offer or promotion. DeWALT reserves the right to provide alternate redemption items of equal or greater value. Care Supply Co., DeWALT & LENOX reserve the right to limit number of redemptions per customer and/or transaction. Offer subject to change without notice. Products may differ from that pictured. Does not affect function. The descriptions, specifications and other claims made with respect to the products featured in this advertisement are made as of the date of printing. DeWALT & LENOX retains the right to discontinue production of or make changes to any of its products without notice. Product packaging and product manuals should be consulted for current descriptions, specifications and other claims relating to DeWALT products. For multiple purchase promotions, products must be purchased in one transaction, on one receipt/invoice, not cumulative. Qualifying purchase amount does not include taxes.
