In addition, we're asking anyone who enters an image (Not just the higher scoring images) in any of the monthly competitions to post the image in the month's folder so that everyone can enjoy all of the images entered every month. The winning images from the previous page are easier to see on the site. High scoring images will be copied from the Meet Up files for printing on the previous page.

Opportunity for Learning: Image City

Image City Critiques is a program offered by the gallery partners to provide participants an opportunity to critique and be critiqued in a friendly, constructive, positive environment. These sessions will be consistently held on the first Wednesday of each month from 7:00-9:00 pm. The session format has changed from digital to a series of hard copy prints on the same theme or taken at the same time. Check the Image City Newsletter for more specifics about the next meeting. If you have questions please contact Gil Maker (gmaker@mac.com) or Don Menges (dmenges@rochester.rr.com).

Image City has expanded its learning opportunities from the monthly critiques to workshops, courses and mentoring opportunities. There is no mail-in or online registration.
