Subject: TePP Outreach Centre (TUC) / TePP Innovation Network Partner

Dear Sir,

We thank you for showing interest in TePP Outreach Centre. We have short listed few of the applicants for TUCs, mostly based on our familiarity with their work and also because of their location. In your case, like most other cases, it was felt there was a need to know each other better before entering into a formal agreement.

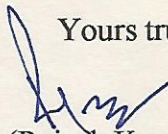

Our suggestion is that we can work together in support of your innovators even without a formal agreement. In TePP, we screened 6000 ideas, evaluated over 1000 and supported only 150, list of innovations supported is given in our web page www.dsir.gov.in. In view of tough screening there is a need for our partners to understand the TePP structure and systems practiced for evaluation, approval and monitoring.

We request you to keep the provisions of TePP in mind, while discussing with your innovators and when you feel some of them could be eligible for support under TePP, then you can forward their applications to us. Even without formal agreement, your organization will be entitled for 10% of the grant amount given to innovators mentored by you for supporting them from application preparation to successful completion. This way we will get an opportunity to learn about the innovation process and TePP role in it, which can lay the foundation for sustainable partnership in the XIth plan.

We assure you of our prompt attention. TePP folder, TePP guidelines, Creative India booklet and a CD on TePP innovators are enclosed.

Regards

Yours truly,

(Rajesh Kumar)
