Please remember to lock the gate behind you when you come into or leave the facility.

Photo submissions for the Wildlife Action Photo Contest are due by Sep 30th. Photos may be color or B/W. Submit in 8X10 size, up to 5 entries. Remember, pictures must be shot in a natural setting.

Work is still ongoing at our facilities; however, painting of the storage buildings has been completed, new storage containers and security cameras are in place, and Berm 1's overhang is completed. Overhangs for Berms 4-8 will be completed shortly. Frank thanked those that have helped, singling out Jeff Fink for the number of hours he has spent installing our new security system. Please inform Frank if you are available to help on current or future projects.

Special guests at the meeting were Bunny and Nan Beeson (WLA founders), and Ben Powell (Executive VP for WLA). Bunny gave an impassioned talk of his experiences of starting WLA in 1977. He spoke of keeping WLA going to preserve, conserve and to educate our children for the future. Ben added that the kids are our priority. He also urged members to take advantage of events and opportunities offered by WLA.

Donations included lead shot from Claude Dey that was sold for \$231.00, a 32" color monitor from Jeff Fink, and .22 caliber ammunition from Bill Kleinbach. Additionally, we received plywood for backstops and \$500 from an anonymous donor.

Horry Chapter would like to welcome a new sponsor for our 100-yard rifle range in Papa Foxtrot Tactical out of Aynor. Also, let's keep our other sponsors in mind: First Choice Heating and Air, Anderson Brother's Bank, Rivertown Gun Depot and Frank and Betty Pate. We really appreciate their support.

Thanks to Eddie Witner and Bob Fairweather for putting on a very successful CWP Class.

The 50-50 was won by Bobby Stubbs.

Add a few drops of lemon juice to outdoor house paint to keep insects away while you paint. The effect will last until the paint dries.
