The Prison Epistle April 15, 2014 (Important News)

We are very glad to bring to your attention the facts of how our Lord Jesus Christ is moving in the Criminal Justice Area that God has given us. We are seeing the Lord do marvelous things in the lives of the men committed to our care. The Holy Spirit of God is using the following spiritual principles to make changes in the lives of these men. The principles are listed as follows:

PRAYER ACTIVITIES

Every semester we teach and put into practice with our student body the principles of personal prayer, intercessory prayer, and corporate prayer as the spiritual life blood of our Ministries, Church, and Theological Seminary.

EVANGELISM ACTIVITIES

In the year 2013 the following ministries held Revival Crusades in which several men made decisions of various kinds in which their lives are beginning to show the positive fruit of the Gospel of Jesus Christ.

The ministries we are referring to are listed as follows:

1. We Care Ministries
2. The Caring Friends Ministries
3. Vaughn Forrest Baptist Church

THE STUDY OF THE WORD OF GOD AND GENERAL EDUCATION SUBJECTS (Faith Character Based Education Program)

We had two wonderful semesters for the Faith Character Based Education Program with the following result.

The first semester lasted from March – June 2013

Number of Students ----- 214 inmates

Number of Classes ----- 74 classes (Group and Solo)

The second semester lasted from August – November 2013

Number of Students -----269 inmates

Number of Classes -----82 classes (Group and Solo)

THE FAITH CHARACTER BASED HONOR DORM

This activity gives inmates the opportunity to begin to live in a more structured environment in which they have to begin to exercise personal accountability and responsibility towards themselves, other people, and society. The Faith Character Based Honor Dorm set up with the right parameters works as a proving ground to help inmates grow in ways that the regular Criminal Justice dormitories do not provide.

RE-ENTRY ACTIVITIES

This new area of the Criminal Justice Environment is the result of successful programs designed to help prepare men and women in the criminal justice system transition into residential housing, employment, mental services and rehabilitated programs. These programs are residential halfway houses in semi-rural settings that provide constructive transformation from the prison environment to the community at large.

We are blessed to have two very wonderful ministries working with us towards this goal. They are: Rev. Dr. Arthur Robinson, House of Prayer Church who is charge of Source of Hope, Residential Halfway House, Notasulga, Alabama; Rev. Jon Peters, First Assembly of God Church, Who is in charge of the R.E.A.C.H Ministries, Residential Halfway House, Union Springs, Alabama.

LEARNING TO READ AND WRITE (Laubach & Pre - GED Studies Program)

One of the goals in the Faith Based Education Program is to help inmates learn to read and write. This is accomplishing through our Laubach Program which is an adult basic education program (grades 1-5). Also, our Pre-GED and GED programs that help men and women prepare to pass the General Education Diploma Equivalency test. These skills are necessary to obtain employment and meet the minimum requirement of the high school diploma or its equivalent for employment. Inmates desiring higher education can enroll in our liberal arts program through Liberty Theological Seminaries International.
