October 2022

St. Paul's Lutheran School helps Christian parents in the strengthening of their child's faith in Jesus Christ. We provide a safe and loving environment by teaching the entire Word of God and preparing students through strong academics for careers and service to God and others.

Built Up Through Christ

We are amazed that we are already through half of our first quarter. So much learning is taking place and it is a joy to see the students' smiles and excitement for learning.

We are excited to see continued learning and growth in our students throughout the month of October. We welcome you to join us in supporting the students as they continue to learn and grow.

Mr. Cody Collier

Chapel Offerings continue to support Darren Peil, husband of previous teacher Ciana Peil. Our current offering totals are \$149.33. The students are striving to reach at least \$200, but the sky is the limit.

Athletics Corner

Congratulations to the Chargers for two well played games with Trinity, Boone resulting in one win and one loss! Our last soccer practice will take place Tuesday, September 27 from 3:15 p.m. until 4:30 p.m. On September 30, we will be participating in the Hollandale, MN tournament. On October 1, we will be participating in the Iowa District West Tournament in Des Moines, IA. We will need volunteer drivers for the tournaments on September 30 and October 1.

All School Field Trip November 4th

We are looking forward to Roller City in Mason City on November 4th to celebrate Reformation. We will need parent volunteers to help transport students to and from Roller City. Please contact Mrs. Collier to volunteer. Please see the attached field trip permission slip.
