program coming to your city.*

*Become a sponsor of giving the
children in your city.*

*We invite you and your company to
be part of an innovated and
adaptive programs for all children
in your City.*

Mission Statement:

Providing disabled and underprivileged children with an innovative adaptive program without cost to them or families. Giving children fun and laughter they deserve!

About Sunshine State Superkids:

CM Box Car Racing DbA Sunshine State Superkids came about from the 10 years our children raced from Florida to Michigan. They were having fun racing other children from different areas and making friends. The children have been National Champions, Regional Champions and finished third in the world in 2010. We fell in love of the family atmosphere.

So, Sunshine State Superkids was developed in 2014 out of the love for children. The organization is based out of Clermont, Florida. A small organization but we are mighty. The organization strives to give all children of Central Florida the chance to be part of programs that our family fell in love with since 2004.

Community Fun!

Since 2014, we have given communities the chance to see something different and be able to watch for free. Imagine giving children the chance to be able to go out of their devices and be outside. Now imagine the community and families watch a sporting event where there nothing but sportsman, commodity, and making new friends. Bring out canopies and chairs make for a day of fun.

Well you are in the right place; we pride ourselves in working with the communities.

Become a proud sponsor in your community!

Sunshine State Superkids

Overview of Program

Our program consists of special type of Soap Box Derby racing. All of our programs give back to the community by giving children a program that most families cannot afford or are not able to do programs like this for their children. All of our programs are free to the families.

Norelli Family Foundation Superkids Classic is a special event in your city. This free program is for the disabled and underprivileged children in the area. This is a special and fun day for all the children in the area.

This event will give the children a sense of sportsmanship, builds self-esteem and family fun. This is for ages 7-16 years old.

We have developed 2 seat soap box derby cars. One side there is an underprivileged child or any other child that comes out, is able to drive the car and the other side of the car is set up for the disabled child. The cars can accommodate all children with any disability. *For example:* Take a child that is visually impaired and will never be able to drive a car, well we have been able to accommodate them with a track that is lined with orange buckets enabling them to see the track. This program goes from September to April.

In 2022, Sunshine State Superkids will travel to a couple of our old locations, Ocoee, Orlando, and Lakeland at the Manheim Auto Auction. But we are happy to say we are traveling to several new location:

1/22/2022	Winter Haven, Lake Meade Park	4/9/2022	Apopka, Jason Dwelley Park
5/7/2022	Groveland, Intellisteel in Ford Commerce Park	9/17/2022	Plant City, Plant City Stadium
10/8/2022	Jan Phyl Village	11/5/2022	Spring Hill. Crews Lake Wilderness Park
