# President's Letter

To the Membership:

In just a few short weeks I hope to see many of you attending our National Specialty in Lexington, Ky. From what I've been told by members of the show committee they have some wonderful events planned for this year's Specialty.

If at all possible please plan to attend to cheer all our beautiful dogs and friends on. I know that the Club has acquired several different books from some of the renowned Portuguese breeders and we will have a few of those books available for sale as a fundraiser for the club.

Speaking of fundraisers; don't forget to bring your donations for the annual auction. I know a few of us that made the Monographia trip this year picked up some very nice items to donate for the auction. So don't forget your wallets and join us all for the auction.

**VOLUNTEERS NEEDED:** The club is in need of volunteers. A few good reasons to give back to the breed we all love so dearly.

1. I know Margaret Boisture would be very grateful for someone to take over the position of Sunshine Chair and she would be willing to co-chair this committee with anyone who has a few hours a month to spare and help the club out.
2. We are also looking for someone who would like to Chair a Fundraising Committee. This person would be responsible for putting together a fund raiser for the club once a year.
3. Meet the Breed. Again this year we would like to have a Meet the Breed booth in Orlando, Fl. during the AKC National Championship which is to be held December 16th and 17th. The Board has decided to give a little incentive to anyone who volunteers 2 or more hours to this worthy cause. Those that volunteer to man the booth for 2 or more hours would receive a beautiful hunter green polo shirt with the club logo embroidered on it. These are beautiful polo's and you will be able to view or purchase them at our National Specialty this year. They are a \$30.00 value and you can have one just by volunteering your time to help promote this wonderful breed of ours. I hope a lot of you will take us up on the offer and volunteer. If we can not find enough people to volunteer at the booth the Board is considering not having a booth this year. That would be a real shame!
4. The Board is also looking for someone to volunteer to be the Show Chair for our 2019 National Specialty. You might think that 2019 is a long time from now, but Specialties take time to plan. If you live in an area that has not held a specialty before and would like to have one in your own back yard so to speak please step up and volunteer for this event.

If you would like to take us up on any of these volunteer positions please contact any of our Board members and let them know.

Have a safe trip to the Nationals and we'll see you there!
