Date: March 17, 2016 Location: ACHD, Garden City, ID Duration: 1 hour	Title: ACHD Traffic Management Center (TMC) Tour and Presentation Speaker: ACHD
-----------------------------------------------------------------------------	----------------------------------------------------------------------------------------

The Ada County Highway District will provide a tour of its Traffic Management Center (TMC) and signal maintenance shop. The TMC was originally constructed in January 2000 and has been recently remodeled. ACHD and ITD have worked together to make the TMC a joint center that manages traffic on all Ada County arterials and on the freeway system throughout the Treasure Valley. The ACHD signal maintenance shop is responsible for maintaining a wide variety of traffic signal technology at over 430 traffic signals and over 60 pedestrian signals.
