

## Heisley Park HOA Nomination Form:

Name: Renata Hurn

Email: Renata.hurn@heisleyparkhoa.com

*Please list two or three positives that you have found in Heisley Park.*

- Very family oriented and residents do look out for their neighbors
- Design guidelines are enforced

*Please list two or three initiatives that you would like to see the board accomplish during your tenure.*

- Safety committee
- Get residents to be more engaged
- Complete water study
- Develop common area

*Please give a one or two paragraph biography about yourself. Include education, occupation, board memberships, other service positions, pertinent training and awards.*

My Husband and I moved to Heisley Park in 2011. The big attraction for us was that it was so family oriented and wanted to raise a family here. We have a little girl that is 2 and enjoy spending as much time as we can with her. I work in management in the department of finance for a major hospital system in the Cleveland Area. Prior to that I was Director of Revenue for a healthcare company in Westlake.

I hold numerous certifications in Compliance and Coding. I believe that my strong accounting background have been beneficial in my role on the board. I hope to continue to serve on the board if reelected.

*List any additional information that residents might find beneficial in making a good decision.*

I have served on the board for almost a year and have been fortunate to be involved in the following:

- Acquire the common area from the developer
- Chair of the Common Area Committee
- Successful in collecting delinquencies
- Revision of the HOA design guidelines
- Order independent study of the storm water infrastructure

Previously, I was also on the Concerned Citizens Group Committee where we were able to push for the reinstatement of the Road Bonds through City Council and the developer.
