

ACE SYSTEM VERSION 2019 BUILD NOTES

Build 2019.2.3

- Added the ability to move a subject from one module (block) to another.
 - Created Form MoveSubject
- Added Notes section to the Memorandum of Transmittal
- Edited the fields on the General tab of the Class Definition form to set the font larger where necessary.
 - Enlarged the Notes field.
- Reformatted the Training Orders form.
- Memorandum of Transmittal
 - Added Notes field.
 - Created a form to allow the user to choose whether or not to show the notes section on the Memorandum of Transmittal
 - Edited the query behind the MemoOfTransmittal report to limit to current ClassID.

Build 2019 2.2

- FTO F41 procedures
 - Changed the DCJS codes to E codes from A codes.
 - Could not produce F41s using A codes – this is now being treated as instructor F41s.
 - Changed the BIS to 3 and 4.
 - Changed the text for the Course to Instructor and Refresher
- Cosmetic changes.
 - Transitioning to the white theme.
 - Transitioning to larger Calibri fonts.

Build 2019.2.1

Field Training Officer

- Added an FTO function with the FunctionID of 50
- Changed the Field Training Officer courses to FunctionID = 50
 - The original was zero which then got changed to 1 in build 2018.C.2.1 which caused doubling of hours for law enforcement officers who also took FTO classes.

Build 2019.1.1

IS41LIST REPORT

- Revised to use the MAKE_IS query.
