“Nothing is impossible with God” Luke 1:37

ANSWERED PRAYER

The vacant position for a Nova Scotia distributor has been answered. You will meet Ralph Bunch in our February newsletter. You will also meet our new distributor/overseer, Owen Martin and son Curtis for Region 12, Northern Ontario, Manitoba & U.S. boarders.

PRAYER REQUESTS

Some of our workers who are going through medical trials, Harold Brohart, Nellie Clayton, Darlene Kienle & Aurilla Ripley. Aurilla will have surgery for breast cancer December 16th. Pray for these and others as they trust the Lord for healing.

PERMIT SIGNS

GTM has decided to sign a 5 year contract for 16 permit signs in Ontario. We have revived each location, checking if the property might come up for sale, condition of the sign and we feel these 16 locations should remain. Seven locations have been removed, but praise to God already three new locations have been opened up and the signs already made and installed. Because of these changes, I have had to deal individually with seven Ontario Regions who deal with these permits. Once again, the testimony of obeying government rulings which are not against God's Word has been made possible. Pray for the unsaved individuals who make these signs, install some of them and rental sign companies we work with, that as they read the texts God will continue to work in their hearts and minds to bring them unto Salvation. What an awesome God.

GTM Board Members and Flo

1. To follow and listen to God's guidance during many transitions and changes
2. For the Gospel Signs that stand in public sharing the Word of God across Canada in all kinds of weather. Pray for the rental signs that stand along heavily travelled roads. Due to early winter weather the rentals at Moose Jaw and Winnipeg have not been installed. Perhaps when the ground freezes. God knows.
3. For our government that they will not pass laws that would hinder placing the Word of God
4. For the GTM distributors and overseers and their families. Pray for their health, personal and spiritual issues and especially unsaved loved family members. We appreciate their dedication.
5. For the salvation of the sign artists across Canada who continue to prepare the signs

NEW SIGNS

To God be the glory for opening the doors of opportunity, 1) to place many new signs across Canada this year, 2) other signs that were touched up and repaired, 3) for all the rental companies and individuals who have given permission to place signs along heavily travelled highways. Pray for each person who read these Bible verses. Pray for those that travel these roads, yes

many are truckers away from home and lonely. Just now I'm thinking of our rental sign along Highway 17 near Wawa going along the northern shore of Lake Superior, which has in large letters, "GOD IS WATCHING OVER YOU." We pray that promise will penetrate into their heart and mind.

LONDON BUS SIGNS

We have reports that people are reading these signs. Here is one of encouragement. "I was riding an LTC Bus today and I saw one of your bus ads with a Bible verse. It was such a comfort and a joy to read it. Thank you." Almost every week we have a call from someone asking for a Bible. People need the Lord. We have now received enough money to renew the annual contract. To God be the glory.

NEVER FORGET, it is the Word of God and the Holy Spirit that bring people to Jesus Christ, we have been given the privilege to plant the seeds.

Our thanks and appreciation for your continued financial support and prayer
