## Missionary Moments

### Morning: Persevering in East Asia

[East Asia] Southern Baptist PHIL WARDELL\* often tells Chinese cross-cultural workers in Southeast Asia that Satan attacks in the weakest areas. In Phil's family, his oldest daughter was sick for almost three years and had to be medically evacuated five times. "We learned the safest place to be is in the center of God's will," Phil said, which doesn't mean believers are free from danger. He said he learned more in his hardships than he did in times of peace. Phil encourages these workers to persevere during hard times. Pray God uses workers supported through the Cooperative Program to persevere with faith in times of hardship.

### Evening: Help for Eastern Colorado Churches

[Colorado] FRANK CORNELIUS has been a part of planting churches in eastern Colorado since 1996. The Texas native says there are still many small communities in the region with no gospel presence of any kind. As a church planting catalyst, he helps churches start new congregations in eastern Colorado. Thanks to your Cooperative Program gifts, Frank helps churches find partners and discover new church planters. He also trains churches in evangelism and prayer, works alongside them in outreach projects and helps them find needed resources. Pray for the churches of eastern Colorado to have a strong vision for taking the gospel to their own community and neighboring communities.
