

Vision Purpose

Vision Transylvania is a leadership program designed to:

- *Develop a leadership pool of informed, involved and committed citizens*
- *Enhance communication and interaction among participants to form a network for cooperative community trusteeship*
- *Experience and understand the diversity of leadership decision-making styles and processes*
- *Explore issues facing Transylvania County, to gain insight on how to formulate solutions and to encourage the team approach to solving community problems and visioning the future*
- *Instill a belief that local and regional knowledge and cooperation are critical elements in causing change and moving the community forward*
