BARK will be hosting an Open House November 26th and, hopefully, Dec 3, 10 & 17th!

Look for the banner at the end of the driveway to confirm.

We will need volunteers to help with meet & greets from hours of 11-1pm.

Please contact Jackie at 214-277-4038 or email jackieserbus@gmail.com

This is a great way to show off our dogs and invite the community into our kennels to see what a wonderful job our workers and volunteers do!

Previous Member Meeting updates:

A member meeting was held at the BARK kennels November 8th. Thank you to all who attended! We enjoyed delicious BARK cupcakes made by Tiffany Gentry and an assortment of cheese, crackers and tasty dips. We displayed our new t-shirts for our supporters to purchase.

We introduced our new kennel manager, Lisa Whistler. She has been hired to oversee daily kennel operations & kennel duties. Lisa will also be assisting with helping our community volunteers apply their work efforts with our dogs in the needed places for BARK.

Stop by and say hello or lend a helping hand! Lisa is available at the kennel from 8:30-11 am & 3:30 - 6pm, Monday, Tuesday, Thursday, Friday & Saturday.

BARK proudly announces our upcoming events and recorded that we raised \$232.00 from Fall Fest in October.

For a copy of the minutes, visit our webpage after Dec 1st.

Also, BARK needs winter supplies:

laundry detergent

blankets

food Pedigree adult and puppy food (our dogs eat more in the winter)

FOSTERS OF BARK

BARK can only save so many, but by becoming
a foster you can help us save more!

Fostering is the best gift you can give a dog. They are put in a loving environment and IMMEDIATELY learning how to be a better dog. Taking a dog home with special needs or a dog that needs extra love and attention is priceless!

These things are crucial in the adopting process of unwanted dogs because of their past history, looks, behavior and social skills. It's up to us to help them to a better place so they can start the journey in their FurEver home!

If you are a BARK foster, please email us with a short story about your experiences with the dog(s) you have helped care for.

Meet some of our BARK dogs, ready for their Fur-Ever homes! We've already found homes for 71 dogs in 2016!
