Providing HOPE to local communities through the hearts and hands of high school students.

Partnership Opportunities

Thank you for your interest in partnering with flood as we ENCOURAGE - EQUIP- and EMPOWER our students to provide HOPE in the local communities. Established in 2007, flood students **SERVE** widows, the elderly, the homeless, refugees, men in recovery, children/adults with special needs, and children/families living in poverty. Each month, flood students accomplish AMAZING acts of service in our communities as they GIVE and RECEIVE HOPE! We welcome Businesses to partner with our students as they daily live out the mission/vision of flood. By partnering with flood, **you will support flood students as they:**

- Help widows find hope and have their burdens lifted
- Give children living in poverty the hope to succeed
- Provide the homeless with meals and kindness
- Deliver companionship and hugs to the elderly
- Restore a culture focused on self to others-focused
- Grow students' hearts, faith and leadership

AND MUCH MORE!

For more information, contact Kimberly Scales/Executive Director at kscales@floodstudentmissions.org or by phone at 770-289-1834.
