Principal, Luke Morse

Our 8th Annual Family Gala Dinner & Silent Auction is coming up on April 28th! Once again we will be at Science North's Cavern. Come by the Main Office to buy your tickets and pick your spot at a table! Don't miss out on a delicious dinner, live music, silent auction, photo booth & penny table!

Principal's Message:

As Jesus was preparing to enter Jerusalem in the days leading up to His crucifixion, public opinion of His ministry had swelled to feverish heights of enthusiasm. By all appearances, the crowds were prepared to celebrate his arrival as the messiah, the prophesied leader of God's chosen people. Anyone else but Jesus would likely have seized upon this wave of popularity, and burst through the gates of the city on horseback, sword in hand as a display of power, girded for battle and gilded with conspicuous displays of wealth. Jesus, by contrast, chose a deliberately humble animal upon which to ride -- an untrained donkey -- and made no show of his appearance, despite the adulations of the crowd. The people expected a strongman ruler who would wage war on their enemies. Jesus presented them with a humble servant who was willing to die for his enemies. The people expected their messiah to establish a kingdom here on earth. Jesus presented them with a spiritual kingdom and a promise of life hereafter. Even when the crowd transformed into an angry mob in the days following, Jesus subverted expectations again by embracing His cross, laying down His life willingly, and forgiving His executioners. His is an upside-down kingdom where the first shall be last, the least are the greatest, and death is not the end. That's my king.

"The next day the great crowd that had come for the festival heard that Jesus was on his way to Jerusalem. They took palm branches and went out to meet him, shouting, Hosanna! Blessed is he who comes in the name of the Lord! Blessed is the King of Israel!" — John 12:13

March High-Lights!

Our grade 5-8s ended off February with a trip to Ramsey Lake to get some skating in! It was a beautiful day enjoying the outdoors and being active! Lego Club finished up this month as well as the weather is slowly getting warmer so we are enjoying time outside at recess skipping rope and playing sports! This month we enjoyed some delicious hot lunches, had March Break at home with our families, and started Term 3! Now, we are working through our CAT-4 testing from Grades JK-Grade 8 in Math & Literacy and getting ready for Easter weekend!

Classroom Spotlight:

Grade 1/2

Making statues!

Welcome to Grade 1/2! Mrs. Faulkner and her students have had an amazing fall and winter learning how to make salsa, making chocolate birds' nests, reading 100 books in a month, presenting a play on creation in chapel, going to Kivi Park, creating statues, making birds' nests, and having so much fun!

Testing out their homemade salsa!

Baking chocolate birds' nests.

Sliding at Kivi Park.

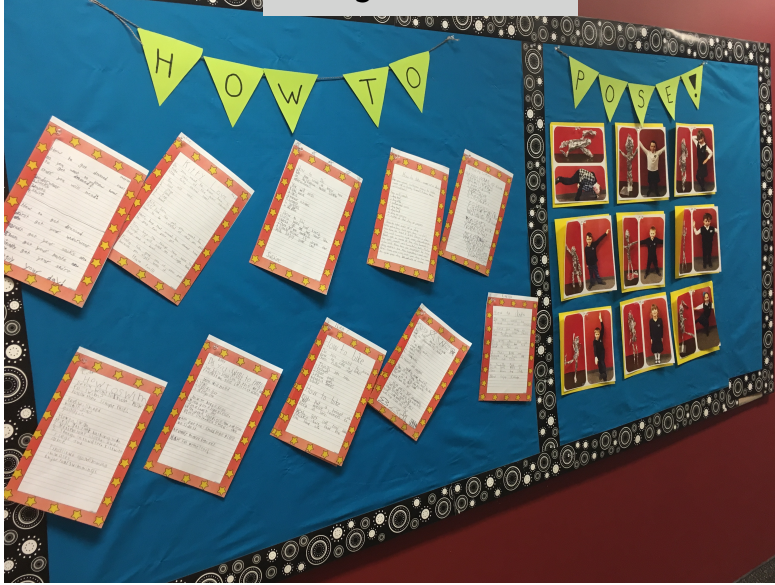

The students have been learning their multiplication tables, learning about money, writing a story as a class called "The Prince and the Lettuce", and will soon be writing their own fairytales. In grammar, they are learning contractions and in Bible they are reading about the Easter story, in Gym being active outside, and in Science they are learning about different structures and different materials used to build birds' nests!

Classroom Spotlight Cont'd: Grade 1/2

Making birds' nests!

Fun times in the sun!

Creation show in chapel.
