

ARG Emollient Esters are light-feeling, non-greasy esters, ideal for use in hair and skin care applications. They have excellent solvent and wetting properties make them suitable as carriers and dispersing agents for the delivery of active ingredients, sunscreens, colorants and vitamins.

- Excellent Stability
- High Polarity
- Quick-Absorbing
- No Animal Testing

- Highly Moisturizing
- Oil Substitute
- Non-Irritating
- Prop.65-Free

ARG-Emollient Esters are resistant to oxidation and may help improve the stability/shelf life of many types of personal care formulations.
