POPE JOHN PAUL II ASSEMBLY
FOURTH DEGREE KNIGHTS OF COLUMBUS
616 S CHERRY STREET
KERNERVILLE NC 27284

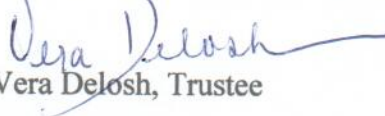

Thank you for your monetary donation to OPERATION JERSEY CARES. Your donation helps to ship all sorts of items needed by our troops. Items from home including clothing, foods (both snack and healthy), and toiletries are much needed and hard to come by. These boxes from home are always well received by the troops!

As an *all volunteer* organization, we are proud to say that we ship 200-300 (40-50 lb. boxes) to our troops six times a year and continuously send boxes on an as needed basis. We have shipped well over 60,000 lbs. this year and we are nearing 500,000 lbs. since our organization started. Products for the boxes are collected at grocery stores and are donated by churches, organizations, and companies. Money is donated by many people and companies to help defray our shipping costs. Your donation plays an important part in helping us to continue to support our guys and gals that many people tend to forget.

Thank you again for your donation and support. *Always remember those who are a long way from home and fighting for the freedoms that we enjoy and sometimes take for granted.*

Sincerely yours,

OPERATION JERSEY CARES
