KIWANIS MEETING OF May 30th, 2017

Today was our annual visit to the NEW Zoo with the Nicolet School third grade class, the fourth of our special May events (Pancake & Porkie, Youth Awards, and Scholarship Dinner). All members step back and take a deep breath!

Including students, teachers, chaperones, and loyal Kiwanians, there were 82 of us in attendance on an overcast, but otherwise wonderful day to see the animals. Starting out, however, we were all saddened by the passing a few days earlier of the zoo's male lion, who always entertained the kids with his loud roars. The lions area inside the zoo looked lonely without him.

Upon arrival, our 65 third graders chowed down on hot dogs, burgers, baked beans, cheesy potatoes, and a cookie. It was expertly served by an assembly line of members. Joe took particular delight in piling the baked beans onto plates. I wouldn't have wanted to be on the buses that took those kids back to school.

After lunch, everyone made their way to the zoo. All except the members that stayed behind to clean the shelter building ... thank you Ben and Pat! The kids had a grand time, as they always do, particularly

feeding the giraffes and in the petting zoo area. Check out the photos area of our club website for visual proof.

Special thanks to Anne for making all the arrangements even as she dealt with a family adversity. She had to head to Racine before lunch was over for her aunt's funeral. Club thoughts and prayers go out to you and your family, Anne.

Next Monday we are back at the Black & Tan Grille at noon. Be sure to make that meeting, it will be birthday cake time! Anne will announce our list of speakers for the remainder of the month. We do know that our BOD meeting will be held on June 19 at 11:15 A.M
