 Weather Sun Then Rain and Cold

ENTER ROUND COMMENTARY BELOW

We started out sunny then it got progressively windier then it rained sideways with 30 MPH winds and then the sun came out. Mike Jeffries starts slow and then gets rolling to win by 2 shots over Reese and Petro. Reese had 2 birdies and a gross 10 on par 3s on very fast greens and Petro had 4 greenies. Ron and Min set some kind of record for the fastest 4 putts in DGA history on different holes.
