

Lone Tree Trails Shooting Sports Award

Bill Ferguson gives shooting sports, money every year to use as we see fit. In 2019 TCSS started the Lone Tree Trails Shooting Sports Award to recognize the efforts TCSS youth put into their sport. Youth can apply for this award every year if they meet the criteria set forth. This award helps get more 4-H kids to turn in 4-H journals, track their shooting progress, enter more items in the Mid Dakota Fair, and promote shooting sports. This award will be presented to the successful youth at the Tripp County Recognition night held in November.
