

power/energy and those they asked lead them to other WICKED devels outside this Earth. When they went out of these Earths, they went into one of the Chreator Chreations, where they have a large group of Chreator. They set up many things to tear down this area. Then many of them from inside this Earth with their Air Force transport and spaceships, along with those from outside this Earth went into the Chreator Chreations and tear it down and sucked out the power/energy from the areas. They then disconnected many things, and they begin to take the Chreators and remove their skin, hands, feet, dig out their belly, and they stored what they took into their many transports. The first time, they did these WICKED ACTS, those from this America area, did not have enough storage space for what they teef. So, some of the others devels from outside this Earth, gave them other transportation with bigger space to use to transport what they took to inside this Earth. These transports are not the types used in the Country of America. After that time, they then went into many other Chreator areas and did the same WICKED ACTS.

The first group from America, also told other devels inside America and more and more wicked American devels joined them. The Americans into the Congress, the Senate, the politics, the political parties, including those British colonial rulers that once fought/fight against the American and decided from those thousands of years (based on the clock time) to stay in America, and most of them formed the Democrat Party. Including are those from the Republican party and those are the biggest, baddest, and worst devel conquerers that ever fought/fight against the British and took over from the British. The British Americans told those in their leagues in Great Britain/United Kingdom (UK), about their exploits, and the British joined the Americans in their WICKED ACTS.

The American devels, their friends, and those outside this Natural Earthsz, went deeper and deeper into their WICKED ACTS, as they go deeper and deeper into the esistences far, farther, and farthest away from this Earthsz. These wicked devels continued their raping of other esistences, their raping of power/energy, and they do many types of raping of those they are taking power and energy from including sexual raping (only insect do sex the right name is “insex”). These Ameican Devels mutilated those they take power/energy from, and they mostly leave those they destroyed backbones connected to their rib bones. The American devels and those outside the Earthsz, they went into many areas that I have Chreated that no one know, is not open, and is lock. Those in the Tur esistences took my lock Chreations and tear them away from where I lock them. Then others take other parts of my Chreations and put where they can get them. The American devels, their friends, and the others from outside the Earthsz went into the tur areas and the other areas they have my belongings, and they took from what is not open.

The American leaders, their friends, and those from outside esistencies took those from my locked Chreations, and they opened the areas and they take out those not open, and they take their hand, head, foot, batty, belly, and all inside their belly. When they opened their belly and look inside, they see others. They take them out and “born” them. Then they take from those they born their hand, head, foot, batty, belly, all inside their belly, and they sucked out the power/energy from the lock areas. Then they go deeper and deeper into their belly and deeper in other not open areas and they connected one individual to another. They go into those not open areas, and they take the transportations from the not open areas and go into other not open areas and sucked out the energy/power and opened the many types of who I Chreate. The Americans

continue getting more and more transport from those in outside areas to put what they are taking from all the areas they go into. The Americans delevs also take power and energy from the Tur areas and take from the Tur leaders their hands, head, stomach, feet, and what is inside their stomach. Since the year 2012, the American governments and politicians, and business leaders, have so much power/energy, that they do not know what to do with them. They continued to do many wicked and erratic devel acts and they used the power/energy to do what they are not ever to do.

Some of the things the Americans do with this power and energy is to do wicked types of killing with the use of drones. The government brings into the illegal devel military, the Devizio from outside the Earthsz, and from the Ter and Tur esistences. The Devizio is a drone that looks like a man. The DeVizio drone hands go from front to the back as it pushes the air from front to back to move. The Devizio can be controlled by remote control. This is a wicked machine that tears down anyone and anything. They also bring into this Earth the Jesus grinder drone. The Jesus grinder is a drone that has a look of Jesus on the outside and it grinds and spins so fast that you do not see that it is spinning and grinding. The Jesus grinder drone cuts through wood, glass, fiberglass, and cuts quickly through synthetic concrete that are used in America to build houses and buildings. The Jesus grinder can grind through anyone's body and destroy them. This drone usually opens areas that are hard to get into and let the others go in to do wrongs. During this summer, 2020 year, I saw on One America News Television (OAN) two Devizio they featured on the news. I have a terrifying experience with drones about two years ago, while I was in taking a shower, the Jesus grinder came into my shower by grinding through the shower glass and attacked me in the shower. When I came out of the shower and was putting lotion on my back, right on my shoulder where my hand can just barely reach was a fresh Burn that was not on my skin before.

The Americans also bring into this Earth the Antisa delevs that are from TerGeese, TerrorGeese, Tuskegee, Arangua, Tur, TurGeese, and Corona areas of the Delevs. Donald Trump, the Make America Great Again, President, speaks about the America Antisa terror delevs during this year's 2020 presidential debates and president discussions. The Antisa delevs have many different kinds of devel instruments and machines to destroy anyone and everywhere. They have the Antisa fingers with eight big and long fingers, they used to cap our head and then they dig deep down into our eardrum and control our head, ears, nerves, muscles, and joints. They have the mobile Antisa that many devel workers from the Department of Homeland Security wear that comes out their belly that they use to destroy our body and the Antisa also destroys their inside. They have the machine Antisa that does many disasters to this Earth. The Tur thud, stump, tump, trump, Duds have eight fingers and no toes, as they are the teefing kind and the flying kinds that do not walk. The Tur use the plastic effigy with the toes to walk on our ground. The Tur thud, stump, tump, trump, Duds, etc. are from the TerGeese areas.

Something happened to the Tuds and the others of their group, and they were remake and put in a special area to be the gatekeepers. They must never let any of TerGeese and the others from those areas to go into the area they are put to stay. If they let any of their other kinds in, then the tud will be in the everlasting fires of the hells and much more punish for them. The Tur thud, stump, tump, trump they let their own and others go into the areas they must not go into,

and so they are cursed and they are the devils going into the everlasting fires of the Hells. They are not alone as many others will go into the fires. Today, Donald Trump effigies have a mixture of Tur, Ter, TerGeese, TerrorGeese, and other devils inside. Below is an example of how wrong the machines and instruments the doctors use is, and how the makers of the machines and the instruments they manipulate these things so they do not give accurate information.

Those in the Chreations areas, the Tur areas, and other areas they take their skin and body from are not dead. I saw them with new head, new hands, new feet, and all of them are wrapped up and stitched up from the neck to the ankle. They get many body parts that they use to put in their belly and they get skin, head, and other parts for them. Some of the devil teef leave the head and hands on a few of them and those destroyed like this are easier to put back. The mutilated bodies of those they destroy are not dead. Even the Tur spirits that can die and dead can still be restored.

**Baby Mistakenly Declared Dead and Sent to Morgue Found Alive Six Hours Later
BY SAMANTHA LOCK ON 10/23/20 AT 11:13 AM EDT**

A newborn baby declared dead after birth was sent to a morgue and placed in a refrigerator, only to be found alive more than six hours later. The infant, born after just 23 weeks on Wednesday morning in the city of Puebla, southeast of Mexico City, was thought by medics to be dead at birth.

Medical personnel from La Margarita General Hospital informed the parents their baby had died, allegedly sending the child to the morgue where it would remain in a refrigerator for six hours, infobae reports. The parents were even allegedly handed the baby's death certificate as they reportedly planned to hire funeral services. It wasn't until six hours later that staff from a local funeral home said they realized the baby was alive.

Funeral Home director Miguel Ángel Flores of Funeraria Flores said he noticed the newborn was crying and moving when staff went to collect the body from the morgue. "The driver realized that the baby was alive, but I told him that he died at four and from four to ten, the baby was refrigerated for six hours," Flores told Telediario televisión. "When we got to remove the body, we noticed that he began to cry and move," Flores continued.

"We told the father to come closer and he also saw that he was crying, so they brought the doctor down, who is the one who made the death certificate." The delegation of the Mexican Institute of Social Security (IMSS) issued a statement saying an investigation was underway to determine who was responsible for the mistake. <https://www.newsweek.com/baby-mistakenly-declared-dead-sent-morgue-found-alive-six-hours-later-1541662>

The many things used in the funeral home, the morgue, and other burial areas are not the right things to use. The first thing is that they must never put any of us they said are dead or killed into plastic bags they call body bags. It is a wicked thing to do and we are stifled inside the bag. We are to drink the Mercury plant flowers and leaves that stops the pain. We are to rub the strong mercury oil, mercury powder, and soak into the mercury oil and then cremate with the cremation doner in an open round coal glass looking pan or bauxite aluminum pan with coal glass at the top and the bottom so the heat does not Burn those opening it when it is done and

they have a cooler that cools the cremation once it is done in the same area. The cooler is turned on as it is open. Everyone is to see when their familiee is being cremated, and they can carry with them the air condition cooler that pins on to their clothing. No cremate must never ever do in closed-door and must never ever give to any other to give to you. You must get your cremate, and it must not weigh more than half of a pound, as it is powder and must not have wood, sticks, or stones in it and not be heavy. Most of the funerary and the funeral home and morgues are run by devels, and they take your body and body parts and put where they can use them. The Coroner used to pronounce anyone dead, is a devel politician and not a doctor and not a physician and not a nurse. Killing and deading is devel government tricks. That is because we do not know who we are and we do not know the Sentrymenias/history. The devel governments have our info, and they keep it and use it to destroy us, and they use our info for them.

The American government used the power and energy they teef from the chreations and the many existences and they make many giganamous bombs. The devels Barak Obama government, and Donald Trump government, the Senate, the Congress, the governors, the mayors, the many government agencies leaders, the politicians, the many business leaders, and others had so much power and energy, to the point that they were just wasting the power doing many wickedness inside and outside the Earthsz, and they used many of these bombs to bomb and explode many of my children and my properties in my existences outside this Earth. The devels that put themselves in my Earth have continued to destroy my Chreations and non Chreations, my Esistencies, the many Esistences an areas outside the Earthsz.

A few of the many wicked things that the American government has used the power and energy they teef and the wicked tactics they used in the Chreations and other areas to teef their power, energy and their body parts since the year 2012 to November 2019, are below: America has been going into Mexico that is located at the border and doing their wicked acts there as you read and understand from the news below.

Miami Police Shoot, Kill Man-Eating Another Man's Face

May 26, 2012, · MIAMI (CBSMiami) – Miami police are still tight-lipped about the man they shot and killed on the MacArthur Causeway Saturday afternoon, but new details back claim they had no choice: the naked man they shot was trying to chew the face off another naked man, and refused to obey police orders to stop his grisly meal, which one source now claims included his victim's nose and eyeballs.

This attack on the homeless man was not the work of any of my children. The police do these wicked beastly attacks as most of them are devels from outside this Earth from far yonder esistences that roam from area to area destroying, and they can be killed and they can die, as they are spirits that are made in different ways than us. No individual of this Earth can chew the skin of another individual and they cannot chew raw meat from animals either. Our teeth do not have a razor or saw on them, only the devels have razor teeth and saw teeth, as they put them in their mouth to do wicked things. <https://miami.cbslocal.com/2012/05/26/miami-police-confrontation-men-l>

Journalist Jamal Khashoggi 'butchered while still alive', horrific audio of his murder allegedly reveals. 17 Oct 2018 12:00 PM - Daily Mail. By: Sara Malm, Charlie Moore, and George Martin

A source has claimed Jamal Khashoggi was butchered alive in a brutal seven-minute execution after reportedly hearing audio of the missing journalist's horrifying last moments. The anonymous source, who claimed to have heard a recording captured on Khashoggi's Apple watch, said in an interview with Middle East Eye that Khashoggi was killed after entering the Saudi consulate in Istanbul on October 2.

According to the source, the tape reveals that Khashoggi was dragged from the Consul General's office to a table next door in a study where he was surgically dismembered. Audio recording is said to have captured the missing journalist's dying screams before he was "injected with an unknown drug" and fell silent. "There was no attempt to interrogate him. They had come to kill him," the source said. The source also claimed that Khashoggi's screams had been heard by witnesses downstairs as he was cut into pieces on the desk.

The news comes as Turkish police said earlier Tuesday they now have evidence missing journalist Jamal Khashoggi was killed and cut into pieces inside the Saudi consulate in Istanbul. A Turkish official confirmed to CNN late on Tuesday that police believe Khashoggi was brutally dismembered, after a previous report in the New York Times shortly after his disappearance made similar claims. Earlier on Tuesday Police claimed to have found "certain evidence" that Khashoggi was killed inside the consulate before the Saudi consul made a sudden departure from a Turkish airport. <https://www.nzherald.co.nz/world/journalist-jamal-khashoggi-butchered-while-still-alive-horrific-audio-of-his-murder-allegedly-reveals>

It is Donald Trump and the American government that is advising others in States or countries they do not exist in. The Americans use the Antisa devils with the spinning fingernails or the eight long fingers to jam down into the heads of anyone. Then they take over the brain and the muscles and the nerves and they use many others that are hidden behind the inkcondensescent covering, and no one can see them or hear them or feel them, and they commit many wicked ACTs. Anyone can walk through the inkcondensescent and you do not know they are there. The American Devils can make anyone seem to do wrong things that is not normal. It is Donald Trump and the American government that killed journalist Jamal Khashoggi with the same wicked tactics that they use in the outside Chreations areas, in the Tergeese existences outside these Earthsz Chreations. Donald Trump backed the Saudi government, because it was his Donald Trump and America hit-man killing of Khashoggi that took place.

It was not the Saudi Arabia government that did the killing, it was the American Republican Government that killed him. Many Americans are in Saudi Arabia, as America believes it is good for them to be everywhere, and especially as the Saudis have oil. Since the year 2017, I have given the American TVs, the American radio stations, the American Newspapers, and sent to international countries the information that I am here and that my children all over my Earthsz must know. All the info that I published on my website should have been given to everyone and the info would have prevented many wrong things from happening. Therefore, the Saudi Arabian government should sue the American government and Donald Trump for the wrongs they have caused. Saudia Arabia, you, like all my children do not know who you is. Below are examples of the American skin cut off and body dismembered happening continuously since early 2012.

In my many states, they call countries, there are many hundreds and thousands of Americans on military bases and they do wicked things to my children living there. I have

experienced the wicked things the American military does to Americans and others. I traveled through Europe, and the American military attacked me. They shoot many poisonous things into me, and they poisoned me. I ended up in the hospital foaming from the mouth and cannot stop spitting. I did not have epilepsy. I was poisoned by the American government and the military. They also have many others that did many wicked unbearable things to me while traveling, some of those they used on me were my children who did not know me, as their brains are removed from them, and the military and the government used them to push things through my body that caused so much pain you cannot imagine. The Americans tear down my Chreations and take my children and bring and put into the underground at the Pentagon working making silicone implants and many other underhanded things. I know the details of my experiences, and I know it is the American government with many wicked things they have in their military bases doing wickedness to everyone. Even while I was in the hospital, the military devils came in there, and they destroyed my body. They tear out many things from my body, and they terrorized me in the hospital. The Death of a 7-Year-Old Girl in Mexico Provokes New Outrage,
by Kevin Sieff.

The country was already in the midst of a crisis of femicides. Then a seven-year-old girl was found dead, her body mutilated. Fátima disappeared Feb. 11 in the Mexico City neighborhood of Xochimilco, where she was waiting to be picked up from school. Four days later, her body was found naked in a plastic bag. The killing is the latest in a string of brutal crimes against girls and women stirring enormous public outrage directed at Mexico's president and other top officials. <https://www.msn.com/en-au/news/world/the-death-of-a-7-year-old-girl-in-mexico-provokes-new-outrage/ar-BB108r8A>

Murdered Mexico City Girl Buried Amid the Grief, Outrage. By Peter Orsi
February 18, 2020.

MEXICO CITY (AP) — A 7-year-old Mexico City girl whose brutal murder has generated national outrage was buried Tuesday as capital officials pledged to tighten rules for children leaving government schools on their own. Fatima, who was seen on video leaving her school on Feb. 11 with a woman who was not her mother and found days later dead and wrapped in a plastic bag, was laid to rest in front of grieving relatives and neighbors on Mexico City's south side. Late Tuesday, Mexico City police said via Twitter that they had identified the woman who walked off with the girl and searched a home where some of the girl's things were found. The girl's funeral procession paused outside the door of the school where she was abducted. It was plastered with hand-lettered signs demanding justice — “not one more, enough already” — and one urging parents to pick their kids up punctually at 12:30 “to prevent incidents.” Her body was found abandoned in a rural area on Saturday.

By law, prosecutors don't give the full name of victims. The abduction and killing of the child came just days after Ingrid Escamilla, a young Mexico City resident, was allegedly murdered by a boyfriend. The man, who has been arrested and purportedly confessed to killing Escamilla with a knife, mutilated her body and flushed part of her corpse into the sewer. The Mexican capital has seen a series of angry demonstrations over killings of women over the past

few months, including several in which protesters have vandalized major monuments and buildings. The killings have proved a politically difficult issue for President Andrés Manuel López Obrador, who has sometimes complained that protests over the killings were an attempt to distract attention from his social programs.

Thursday 13 February 2020 05:58, UK

The brutal murder of a young woman in Mexico has sparked worldwide outrage after pictures of her mutilated body appeared on the front page of a newspaper. Ingrid Escamilla was found dead by officers at an apartment just north of the centre of Mexico City over the weekend, with her body having been skinned and left without organs. UK charity Staying Put, which works to protect victims of domestic abuse, tweeted: "The killing of Ingrid Escamilla is shocking in its perverted brutality, but every deliberate murder of a woman should shock us and provoke a response. The murder came amid heightened protests against violence towards women in Mexico, with demonstrators setting government buildings on fire and spraying monuments with graffiti.

Marches have taken place in a number of Mexican cities, including the capital, with recent years having seen an alarming spike in the rate of women being killed.

Soldiers at the farm in Tlajomulco. Jalisco search yields 20 mutilated bodies, three captives The discovery was made at a safe house on a farm in Tlajomulco de Zúñiga Published on Saturday, May 18, 2019

Military personnel have secured a safe house in Tlajomulco de Zúñiga, Jalisco, where they found the remains of about 20 people. The soldiers also rescued three people who were being held captive. The incident began when an army patrol spotted a man wearing handcuffs on the side of the road in San Sebastián el Grande. He told the soldiers he had escaped from a

nearby property where he was being held captive. When the patrol approached the property, armed civilians began firing at them. After a firefight, the soldiers took control of the property.

Three individuals fled the scene in a pickup truck toward Santa Anita, also in the municipality of Tlajomulco de Zúñiga, and three others were arrested. There were no casualties in the operation. Soldiers found 18 plastic bags containing human remains on the farm where the safe house was located, as well as 200-liter drums containing mutilated limbs, from which they concluded that about 20 people could have been killed there. But state Attorney General Gerardo Octavio Solís emphasized that the number of victims still cannot be conclusively stated. “We can’t say with complete certainty the number of bodies that were found at this property,” he said. “But we’re working with forensic scientists to figure out how many deceased people could be here.” <https://mexiconewsdaily.com/news/jalisco-search-yields-20-mutilated-bodies/> Source: *El Financiero* (sp), *Animal Político* (sp), *La Jornada* (sp)

A Terrifying Abduction, a Curious Autopsy

UPDATED: FEB 3, 2020 ORIGINAL: JAN 10, 2020

A recount of an alleged incident of March 1956 involving Air Force sergeant Jonathan P. Lovette, who was assisting Major William Cunningham in the White Sands missile testing grounds near Holloman Air Force Base in New Mexico. While searching for scattered debris from a recent rocket test, Cunningham was shocked when he heard a loud scream. Thinking Lovette had perhaps been bitten by a snake, English recounts Cunningham crossed the dune to aid his partner when he purportedly witnessed one of the more bizarre human-extraterrestrial encounters.

Instead of finding Lovette nursing a snake bite, Cunningham, according to English, recounted seeing the soldier being dragged by a long serpentine arm, wrapped around his legs, connected to a silver disk hovering in the air 15 to 20 feet away. Cunningham watched, frozen in horror, as Lovette was pulled inside the craft, which then rose vertically into the sky. The major then stumbled toward his jeep and radioed for assistance.

Security teams arrived and the disturbed Cunningham was confined to the base hospital for observation and treatment after retelling what he believed he witnessed. According to Joseph’s *Military Encounters* book, base personnel did confirm an unidentified radar contact near Holloman at the time Lovette vanished. The base dispatched search parties into the desert, but it would be three days before Lovette’s nude corpse was discovered—some 10 miles from the site of the alleged abduction. From all indications the body had been exposed to the elements for 24 to 48 hours. According to English, the report offered no explanation of what might account for the missing third day, and the autopsy performed on Lovette raised more questions than delivered answers.

First question was: Why had Lovette’s corpse been so severely mutilated? His tongue had been cut from the lower portion of the jaw, his eyes gouged out and his anus removed. In the Air Force medical examination report pertaining to the incident,

English alleges that the coroner remarked on the apparent surgical skill used to remove the organs—in particular that the anus and genitalia had been neatly extracted like a plug. Perhaps most puzzling was the fact that the body had been completely drained of blood, but surprisingly, there was no vascular collapse usually associated with death by bleeding.

Though Grudge Reports 1 through 12 have been declassified, along with Report 14, no official mention or accounting of Report 13 exists. The Lovette/Cunningham case remains unsubstantiated and no follow-up reports regarding the incident—if it in fact did happen—are available.

FBI Joins Investigation of Animal Mutilations Linked to UFOs

By WILLIAM BARNHILL, BOB PRATT and DAVID WRIGHT

The FBI has joined in the investigation of the bizarre mutilation of thousands of grazing horses and cattle over an 18-state area — attacks which have been linked to UFOs.

Disclosure of the FBI role was made at a recent conference of officials from seven states where the attacks have reached an alarming level.

Sen. Harrison Schmitt (R.-N. Mex.), the ex-astronaut and scientist who organized the conference, declared: "Either we've got a UFO situation or we've got a massive, massive conspiracy which is enormously well funded."

At least 8,000 cattle and horses have been butchered with surgical precision over an estimated 1.28 million square mile area stretching from Tennessee to Oregon since the mutilations began around 1970. The 1.28 million square miles is more than a third of the total land area in the continental United States.

In many cases the attacks have coincided with UFO sightings. Baffled investigators say the strange pattern of the mutilations includes these startling facts:

- No tire marks, footprints or other signs of human activity are found near the mutilated carcasses.

- Only the blood and certain parts of the animals — usually the reproductive organs — are removed.

- Trace elements found on and in some carcasses are the same as those collected after a UFO sighting in New Mexico.

- Buzzards and coyotes refuse to eat the mutilated horses and cattle.

Sen. Schmitt, who received a Ph.D. in geology from Harvard University and was a member of the Apollo 17 moon-landing crew, said state and local law enforcement officials have been unable to come up with leads on their own and FBI help is needed.

"To date, the mutilations have been as mysterious as they've been grisly," he said.

The Justice Department authorized the FBI office in Albu-

state trooper who has investigated more than 30 attacks.

If predators are involved, he said, "we have some predators with super powers. We find these carcasses are being lifted up (off the ground) and later they leave clamp marks on the legs. It is also very hard for me to believe that a predator can take the heart out of an animal through a small wound in the neck."

Dr. Henry Monteith, an engineering physicist at Sandia Laboratories which handles se-

know why they're doing it, so therefore we should leave it alone.

"Those are their exact words. The 'star people' know what they're doing and should be trusted."

Dr. Monteith said he has no doubt that aliens from outer space are responsible for the attacks and are using the animals' bodies as part of their study of life on earth.

Many other investigators — police, scientists and UFO researchers — agree that UFOs are the only possible explanation.

Said Richard Sigismund, a Boulder, Colo., psychologist and

UFO researcher: "What few clues we have concerning those responsible for the mutilations suggest that we are dealing with well-equipped, highly capable airborne entities. We are forced, I feel, to the hypothesis that unidentified aircraft are the means — UFOs."

To aid in solving the mystery, District Attorney Eloy Martinez of Espanola, N. Mex., is seeking a \$40,000 grant from the U.S. Law Enforcement Assistance Administration.

Admitting UFOs are a possibility, he said:

"I might be the first district attorney in the country to prosecute an alien from outer space."

A newspaper clipping found in the now declassified FBI documents from their investigation into animal mutilations in the 1970s.

FBI

While easily disregarded as fiction, the alleged 1956 New Mexico incident offers intriguing parallels to other reported mutilations both past and present. In 1988, a body was allegedly found at the Guarapiranga Reservoir in Brazil. According to reports, the victim had been dead for 48 to 72 hours, but there was no sign of

decomposition. The eyes, ears, tongue and genitalia had been removed, as had the digestive organs. Officials were never able to identify the victim.

Widespread reports of livestock mutilation also contain similar details. Since the early 1970s, incidents of mutilated cattle, sheep, horses, rabbits, deer, bison and elk have been recorded, with the bloodless corpses often lacking jaw flesh, eyes, ears, tongue, lymph nodes and genitalia. In 2009, *The Denver Post* reported four calves were found mutilated in similar ways. *NPR* reported on a 2019 incident in Colorado in which five young purebred bulls mysteriously showed up dead, drained of blood and with body parts cleanly excised.

“A lot of people lean toward the aliens,” Harney County Sheriff’s Deputy Dan Jenkins told *NPR*. “One caller told us to look for basically a depression under the carcass. ‘Cause he said that the alien ships will kinda beam the cow up and do whatever they are going to do with it. Then they just drop from a great height.”

So numerous did reports of cattle mutilation become in western and midwestern states in the 1970s that the FBI was asked to step in and investigate. But according to now declassified documents, they were unable to properly perform the task due to jurisdictional issues.

No official answer has ever been given to these strange and unsettling incidents, and they remain unsolved. <https://www.history.com/news/ufos-aliens-animal-human-mutilation-lovette-cunningham>

The Dark Connection Between UFOs and Grisly Mutilations

UPDATED: FEB 3, 2020 ORIGINAL: JAN 10, 2020

One of the most shocking cases involved an Air Force sergeant allegedly abducted by a saucer-like aircraft. The details are both grisly and strangely surgical: corpses found under the open sky with their eyes plucked out, tongues removed and private parts excised—all extracted with the utmost precision and leaving not a drop of blood.

Reports of such unexplained mutilations, carried out on both humans and animals, have baffled investigators for decades, leading to speculation about whether the perpetrators might be otherworldly beings conducting biological experiments on earth's inhabitants. While scores of reports have emerged from U.S. western and midwestern states detailing mysterious bloodless animal mutilations, human cases have been far less common—and often much sketchier in their documentation.

The Enigmatic 'Project Grudge Report No. 13'

One of the most shocking cases, the Lovette-Cunningham incident, involves an American Air Force sergeant allegedly abducted by a saucer-like aircraft, after which his cleanly mutilated body was found in the New Mexico desert. In ufology circles, reports have circulated that the case was studied by Project Grudge, one of the earliest U.S. Air Force programs tasked with investigating sightings of unidentified flying objects in the years after World War II. (Project Grudge was a short-lived precursor to the better known Project Blue Book, which ran from 1951 to 1969, many documents from which are now declassified.) The result of the Air Force investigation into the purported abduction was allegedly a 600-page document labeled "Project Grudge Report 13."

Problem is, no official information on Report 13 exists and the U.S. government denies its very existence, so its details are known only from second-hand sources who claim to have seen and analyzed the document. One account came from controversial conspiracy theorist William Cooper (1943–2001), who asserts he was tasked with analyzing an annotated version of Grudge Report 13 in the early 1970s. The other came from William English, a former Green Beret captain who says he too was asked to analyze the document, while assigned to a U.S. security service at a former Royal Air Force base in Chicksands, England. <https://www.history.com/news/little-green-men-origins-aliens-hopkinsville-kelly>

Figure 14. THE "SPACESHIP" AS DRAWN BY LEDWITH FROM TAYLOR'S DESCRIPTION

THIS Image from *J. Allen Hynek Center for UFO Studies* FLYING SHHCOLIN BERTRAM

This flying saucer picture above looks similar to those I Chreated for my children who do not live in this Earth. The devels like the flying saucers, as they learned to reduce them to miniature and minuscule objects, and they can pack themselves into my children's air transport. The devels like to use them to do many wicked things. If you do not know to put olive oil on your foot bottom, if they get into your house, you can feel them into your foot bottom and under your toes. The devels deliberately open your house and your community and come in with my children in them who this air transport belongs to. These flying saucers were designed for my children for specific reasons and many Chreators have theirs also. I have experienced the devels opening my community and coming into my house, and I see that they were flying saucers terrorizing me. Then I feel them under my foot and under my toes. It is good to wear house slippers to protect your foot bottom. If you do not know that you is to boil the vegetable leaves then pour in your bathtub and add hot water, no soap, no shampoo, only relax and soak all over including your ears. Open your eyes, so they get wash out. Then use a pumice stone to scrub your foot bottom and use a wash rag to gently rub your skin. Do not rinse off. If your foot bottom does not have protection, they will stick them into your foot bottom and then go into your body and doing harm you cannot imagine.

Flying saucers and UFO happened. There are many things that the wicked devels take into this Earth. You get exposed to foreign objects, and you do not know how to take care of your body or your house. The best thing to do is to use the insect spray all over and to wipe the floors and the rugs with the juice from the plant leaves or white rice water. It is good to use pine cleaners for counters and floor cleaners for your house, as the pine has good protection. You can also boil the leaves from the pine head and use it to clean your house, and even pour some into your washing and rinsing water when you clean your clothes.

The American Barak Obama, his wife Michelle Obama, many governors, many mayors, many politicians, many businessmen, and women along with Mark Hatfield, of Department of Homeland Security, they mutilated me, and that tear down my Chreations and many were washed away and overturned between December 2012 to January 2013. There was also blackness in many parts of the Chreations when they destroyed me. As I passed through some of the areas, I continued to see many areas that are tied up and still falling from time to time that was destroyed when the Americans devels opened me between December 2012 to January 2013.

Damm and Blass are what you do to huge rocks for them to become rubble and to be used as stones. When you damm and blass devels they are no more.

George Washington was an American political leader, military general, statesman, and Founding Father who served as the first president of the United States from 1789 to 1797

Joseph Robinette Biden Jr. is an American politician who served as the 47th vice president of the United States in the Obama administration from 2009 to 2017.

Alfred Charles Sharpton Jr. is an American civil rights activist, Baptist minister, talk show host and politician. Sharpton is the founder of the National Action Network.

Above are a few of the many faces of George Washington from one time period to now I talked to George Washington recently, and he asked me if I saw that his nose is twisted and dropping off. I told him it is because he exploded everything and everyone and Rubbed us all off from all esistence. I told Washington that it is him who did it. Then Washington connected to Mark Hatfield, and he began to trace his steps, and you wouldn't believe the many body parts attached to Mark Hatfield and the many bloods running all over, and the many tripe or intestines that were all connected from 2012 to November 2019. Then while George Washington traced faster he was led into a black golf of emptiness that Hatfield went through in transport he must

never be in, and those areas were not for him to go in. I left Washington there searching and went to do other things, when I connected back to him, he was in shock as he kept saying Markus, Why did you do this, Markus, Why did you open them? You cannot want to open Chreators and you cannot open them.

America Stepped Into Russia With their Long Boots/Long up Magic Shoes.

This year 2020, I saw Americans wearing the long boots/long up magic shoes and they stepped straight from America straight into Russia with one step. The Americans were on top of a hill with many trees and bushes around. Then I saw that there were many Americans in the area working and some were working underground, and they walk through a hole we could see open. The Americans were making explosives, I do not know what kind. However, they were using Russians machines and Russians bomb cases that have Russia info on it. I also saw the Americans wearing some effigies that looks like President Putin. The shell of the effigies were very thick and inside was very hollow. The head top of the effigies was open, and I could see down into the top of the effigie shell. What I saw was the devel baby with the bald head inside the effigies. I couldn't see any deeper, but I recognized the devel babies head that the devels in America, British and outside the Earth has inside of them, as the time come for the devel babies to appear in them. The devel babies are them, and the babies can talk about their devel history. Many of these devels have many thousands of devel babies inside of them, and the devel babies go from normal size to miniature size. The devel babies do not wear clothes or shoes and the devel babies are on fire like America Donald Trump and Prince Charles of British that is on fire. I asked the Americans why they are in Russia doing what they were doing. They told me that they bombed and destroyed everyone and everything. Therefore, as they are the Corona they are destroying. Donald Trump, did you send Americans into Russia to use Russian things and then put it on Putin?
