

A Patient-Centered Medical Home is a Partnership between the Patient and their Physician

Being a Part of a Patient-Centered Medical Home, your doctor will:

- Work with you to improve your child/children's health
- Review their medications at every visit and discuss with you and interactions or contraindications
- Electronically prescribe your/child/children's medications to ensure they are accurate and available to you promptly
- Develop a personal action plan with you to address any chronic conditions your child/children may have
- Set goals with you and monitor your child's progress
- Use computer technology to monitor your child's progress and determine if he/she is improving
- Inform you of all test results for your child
- Help you take control of your child's health by providing you with educational materials, hosting group visits and linking you to other community programs and resources
- Provide you 24 hour access to a clinical decision maker by phone
- Have arrangements with after-hours care to be informed of your visits or emergent treatment within 24 hours or the next day
- Reserve space in our schedule for your child to accommodate a same-day appointment

By choosing to participate in a Patient-Centered Medical Home, I agree to:

- Make sure my doctor knows my child's entire medical history
- Tell my doctor all of the medications my child is taking
- Actively participate with my doctor in planning my child's care
- Keep my appointments as scheduled
- Adhere to the action plan designed by my child's doctor
- Consult my child's doctor before making my own appointment with a specialist
- Request that any other doctor I take my child to send's my doctor a report, copies of lab work, text results and x-rays
- Know my child's insurance and what it covers
- Provide the office feedback on how they can improve
- Call the doctor before taking your child to the ER or Urgent Care Center unless it is a true emergency then call 911
