

Dear Parents,

This year Scobey Schools is utilizing a slightly different grading schedule. We are no longer grading by quarters, but by semesters. The report schedule is different for the elementary and the junior high/high school. The reporting schedule is as follows:

Elementary – Semester 1 Term

September 28 – Progress Report #1

October 30 – Midterm Report

December 5 – Progress Report #2

January 11 – Semester 1 Report Card & Comment Cards

Semester 2 Term

February 15 – Progress Report #1

March 21 – Midterm Report

April 23 – Progress Report #2

May 25 – Semester 2 Report Card & Comment Cards

Junior High/High School – Semester 1 Term

October 30 – Midterm Reports

January 11 – Semester 1 Final Report Card

Semester 2 Term

March 21 – Midterm Report

May 25 – Semester 2 Final Report Card

For both semesters, a term test grade (designated as T1 or T2) will combine with the semester grade to compute the final semester grade.

A Note About PowerSchool

PowerSchool was set up for the school year before the change to the semester grading schedule. Should you see any quarter designations on PowerSchool, please disregard them and refer only to those grades noted under either Semester 1 or 2.

Please call the school office at 487-2202 with any questions.
