

6th Grade Sending District Dance

Friday, June 8, 2018

7:00 – 9:30pm

Northern Burlington Middle School Cafetorium

The regional PTAs and Home & School Associations are sponsoring a dance for all 6th Grade students who will be attending Middle School in September. There will be a **\$3.00** admission charge to cover the cost of the DJ. Any money remaining gets put into an account for your graduating class of 2024. The dance gives you the opportunity to mingle with some of your future classmates. In order to ensure a safe and fun experience for everyone, all students are expected to abide by the following rules by returning the signed contract.

1. The Middle School's front entrance doors will open at 6:40PM. Please enter here, with a parent, to sign in. *Remember to bring your signed permission form* if not sent in previously and the \$3 admission fee. Once inside, look for your school's table where your parent will sign you in and pay admission. You will then receive a nametag which allows you to enter the Cafetorium. Name tags are to be worn all evening. (This helps the volunteers with which sending district you are from.)
2. There will be chaperones inside the Cafetorium and in the hallways. They are here for your safety. No loitering or running in the hallways. We want to remind all students that you are expected to be on your best behavior during this event. Inappropriate or unacceptable behavior will not be tolerated and will result in your removal from the dance.
3. Dress appropriately. We suggest that you dress casually and comfortably.
4. IT IS ENCOURAGED THAT STUDENTS DO NOT BRING ANY CELL PHONES OR ANY OTHER ELECTRONIC DEVICES. Adult chaperones will be on hand with cell phones in the event of an emergency.
5. At the end of the night your parent will need to sign you out. No student will be allowed to leave the Cafetorium without a parent or adult.

Chips, pretzels, cookies, water and lemonade will be provided inside the Cafetorium throughout the night. There will be a designated NUT FREE snack area. If you are unsure whether or not you should eat it – it's best not to try it.
