

Relay Exchange Zone & ~24.8

-Ask Google, Siri or your favorite navigation partner to guide you to Court Street & Eureka Way then head north across the Sacramento River to park in Diestlehorst Landing . There you can see runners at 24.8 miles. You can also walk across Diestlehorst Bridge and see the runners as they turn and head back upstream (19.5 miles) .

NOTE: The south side of the river trail which is relay exchange zone 2-3 is closed to vehicles! Only buses will be allowed to drive in and drop/pickup runners.

Note: Waiting for your runner at 24.8 may not leave sufficient drive time to the finish at Sundial Bridge to see them become a marathoner (multi-marathoner).
