GUIDING BODY: CanAm Police Fire Games Federation
United States Bocce Federation <http://www.usbf.us/>

SPORTS DESCRIPTION: A coin toss can determine which team has the Pallina and the choice of ball color. The team that wins the coin toss will begin play by tossing the Pallina within the playing area. The team tossing the Pallina (T-1) must deliver the first Bocce Ball to establish the point (“in” ball). The opposing team (T-2) will then deliver Bocce Balls until the point is taken. (T2 places a Bocce Ball closer to the Pallina than T-1 Bocce Ball), or until T-2 has exhausted its four balls. This “nearest ball” rule governs the sequence of played balls. Each game will be to the max of 11 points or half hour.

Double elimination format will be used.

Entries for this event are closed 24 hrs. prior to start of competition.
