BLOOD

DRIVE

Less Than
10%

38% of the population can donate blood—of that, **less than 10% actually do**. Blood cannot be manufactured. It can only come from generous blood donors. If every donor gave **just one more** time each year, there would be **no more blood shortages**.

The Garden's Activity and Community Improvement Club Events 2018

Potluck

This year's Potluck on Saturday, January 13, sponsored by the Activities and Community Improvement Club, not only was a wonderful time for all our residents, but gave them a chance to meet new residents and socialize with many of their neighbors. More than 80 residents attended and there was many great dishes served! In addition to the great food, each person brought two non-perishable items that were donated to the needy of the community through the Gulf Coast United Methodist Church.

Dinner Dance

A great big "thank you" to everyone who attended and to those who worked on the preparation of this event. Also, a special thank you to our Canadian friends who come every year. The Dinner Dance was on Saturday, February 10, and was sponsored by the Activities and Community Improvement Club. There was great entertainment by Judy Love and Tommy Cee and great food by Culvers of Port Charlotte.

Finally, a thank you to the following businesses for their generous gift contributions for the success of our raffle.

Town Hall Meetings

2018 TOWN HALL MEETINGS

Saturday, 10 AM at the Clubhouse

April 14, 2018

Round up of Annual meeting results / Open
Forum

Town Hall meetings are unofficial meetings of the association to exchange ideas and principles between owners, management and board members. Unlike board meetings where the board debates issues of the corporation, Town Hall meetings exchange within the whole group. Each Town Hall Meeting will be sponsored and moderated by a member of the Board of Directors appointed by the President. A member of management will be at each meeting. Board members are welcome to attend and participate as owners up to a quorum minus one. The dates and topics are subject to change.
