

## Just For You Center

Wigs-Accessories-Salon Services

### **Wigs@Home & Hospital**

You receive all the benefits of our personal in store service in the comfort and privacy of your home or at your hospital bedside.

#### ***How does it work?***

1. Call us so we can introduce ourselves and review the features of the service
2. All we need is 3 pictures of you with your hair in the style and color you would like in a wig
  - Ensure the pictures are from the neck up, front, side and back view
  - Send by email, regular mail or set-up a virtual meeting using your pc web cam & Skype®
3. We will make 2 visits to you at your home or hospital bedside

#### ***First Visit***

1. A Just For You Center wig specialist will come to you with a selection of wigs based on the pictures and phone discussion
2. The wigs will be fitted to ensure style and fit are correct and what you want
3. Once you select the wig we match and chose your color the wig is ordered

#### ***Second Visit***

1. The wig specialist will come to you to deliver and fit your wig
2. Basic styling will be done if needed

#### ***What is our payment and exchange policy?***

1. A \$50 consult fee will be charged
2. If a wig is purchased the consult fee will be applied toward the purchase price
3. Payment in full will be by check or credit card after the first visit prior to placing order
4. One exchange allowed if you are not satisfied

Please call the Center at 973-887-5930 for more information or to schedule an appointment.
