## 2020 Offense/Defense Analysis

Charlotte has only been playing football since 2013 but is located in a nice recruiting hot-bed. Last year the 49ers got to their first bowl game in school history under first-year head coach Will Healy (only 35 years old and a rising star in the industry). The future looks bright for both Healy and the 49ers as he just signed their best recruiting class in school history.

The offense returns 7 starters including QB Chris Reynolds who threw for 2,564 yards and 22 TD's while also adding 791 rushing yards and 6 more TD's. The 49ers will have to replace leading rusher Benny LeMay who ran for 1,082 yards last year. They will also have to replace LT Cameron Clark who was a 4th-round draft pick. Keep an eye on incoming OT recruit Ty'kheast Crawford who is the first 4-star recruit in school history. Also WR Victor Tucker who led the team 909 receiving yards (17.5 ypc) and 7 TD's was a standout on film.

The defense loses DE Alex Highsmith (14 sacks and 7.5 more TFL's) who was selected in the 3rd round of the NFL Draft. The 49ers also lose their top 2 tacklers in Marquavis Gibbs and Jeff Gemmell. Keep an eye out on DE Markees who had 9.5 sacks last year.

The schedule isn't overwhelming as Charlotte will be favored in as many as 5 games this year. Keep in mind, they've only been favored in 5 games total in the last two seasons, yet managed 12 wins.
