Building Great Client Partnerships!

Tucker Industrial Solutions is designed to be the premier service provider to operate as a high volume, low cost service provider that can easily partner with the corporate servicing community and help them to administer "best practice" service ideals.

With these fundamentals in place, we strive to be the provider of choice and deliver cost cutting service solutions in a manner that benefits all parties involved.

We have partnered with some of the best distributers , suppliers and service providers in the business. No matter what industry you are in, there will always be a need for electronics and electrical service solutions!

Siemens Controls Solutions

**We Are Always Helping Our Clients Service Their Clients!**

If any of your clients need services that we offer, we will gladly help you earn more and service more accounts by providing our services to your client for you and **INCREASE YOUR PROFIT MARGINS!**
