

*Dear Prospective Member,*

*Our association is committed to having fun and everyone's safety. Our senior range officers are either NRA certified as Range Safety Officers or Chief Range Safety Officers. Our membership selection process includes a review of your shooting experience, noting if you have been recommended by a member, and your participation in our events by attending our shoots as a guest. While we do not eliminate inexperienced shooters from our selection process, we encourage their firearm education, especially in matters of firearm safety. We welcome members from throughout the local area; one does not have to be a resident of the St James Community.*

*On Wednesdays, at 10:00 AM at Ye Olde Gun Club, we shoot rifle and pistol in four organized events, National Match Course, Metal Plates, our Fun Shoot in both Pistol and Rifle. We also have a good shotgun shoot every Thursday at 10:00 AM at Roan's Branch Preserve followed by lunch at Bella Cucina in Southport. In addition, we have an "open to the public" shotgun shoot usually the 2<sup>nd</sup> Saturday of each month. The first Friday of the month, our women's league, the Pistol Annie's, shoots at Ye Olde Gun Club at 10 AM.*

*We have many shooters of varying experience coming to shoot either as couples or singles. If you are interested in buying a firearm, feel free to get advice from our club members who have a wealth of experience.*

*Click on Membership Application. Complete it and send it to [stjrpa@gmail.com](mailto:stjrpa@gmail.com). We do not accept any paper applications. Do not send any monies at this time. The application holds your spot on our list*

*The SJRPA - we concentrate on FUN but are very serious about SAFETY.*
