

COVID-19 Precautions

With the global and national focus on coronavirus/COVID-19, the health and wellness of our employees, customers and communities are, as always, our top priority. We are carefully monitoring developments and adhering to recommendations from the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), and our local health authorities.

We want to keep you updated on the procedures we have in place here. We'll be updating this page as needed.

What we're doing at Danville Village Mall

- You'll soon see signage offering resources and recommendations to help reduce the virus' spread.
- Due to social distancing recommendations, the Play Area will be closed until further notice.
- Based on the social distancing recommendations of public health and government officials, Danville Village Mall will no longer be hosting the Easter Bunny or associated events.
- Danville Village Mall will be providing additional rounds of cleaning as well as enhanced methods of disinfecting high-touch surfaces.

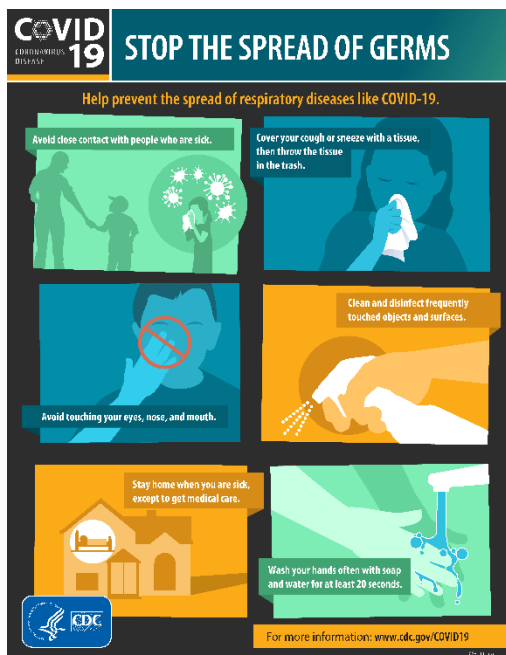

What our Danville Village Mall team is doing

- We are monitoring updates from resources including the CDC, the World Health Organization and our local health department.
- Our employees are following recommended personal hygiene and cleaning practices from the CDC.
- While we are a very friendly group, right now we're erring on the side of caution by maintaining a healthy personal distance between others and avoiding handshakes.
- As always, our team members are staying home if they or a family member becomes ill.
