Trustees have requested the Local Waste to change the contact information of the contract to read, "To the Chairman of the Board of Franklin Township." The Reasoning is that Trustees can change on a yearly basis. Local Waste agreed to change the contact information.

Trustees brought up concerns from the community that the billing does not stop even if their trash service has been discontinued for non-payment. Eric stated that Local Waste does not charge if the service has been discontinued.

Discussion was had about notifying the homeowners that according to the Ohio Revised Code the homeowner is responsible for trash being picked up on their property. The Board of Trustees has agreed that there will be letters sent out to the homeowners making them aware of their responsibility to ensure trash is being picked up from their property.

Chairman Cook moved with no further business to discuss to adjourn the special meeting. Vice-Chairman Fleshman seconded the motion. Vote taken: Fleshman, yes, Cook, yes, Horn, yes. Meeting adjourned at 12:45 PM.
